

# RUPERT CLUB HERE TODAY

**Cole and Kracke Salem Battery—Game Scheduled to Start at 3:15**

With the grounds in tip-top condition and the club looking fine, some good baseball games ought to be seen on Oxford field between the Salem Senators and Rupert, Idaho, club today and tomorrow. The two clubs played last Sunday and it took Rupert 10 innings to down the local club by only one score.

The Senators have been practicing nearly every afternoon this week and will do their best to take Rupert into camp in the games today and tomorrow.

If McCredies will allow "Lefty" Schroeder to leave Portland he will be seen in action against the local club. "Lefty" is a personal friend of all the Salem boys and almost won a Salem uniform this season, but McCredie came through with an increase in his salary and the big left hander decided to report at Ontario, Calif., where the Beavers trained. He was in Salem for more than a month, and Manager Bishop had a telephone conversation with Manager McKenna of the Rupert club this week who said that Schroeder would like to make the trip to Salem.

"We are having good baseball and I am doing my best to bring good ball clubs to Salem," said Manager Bishop. "I had the Moose Jaw club here from the Western Canadian league and had games arranged with the Regina club team for April 14 and 15, but the weather spoiled it, but we will have lots more good teams before the end of the season. When we are through with Rupert we will have McMinnville, Albany, Eugene, Klamath Falls, Woodburn,

Aberdeen, Tacoma and Seattle clubs visit the city to battle with the Senators.

Cole and Kracke will do the honors for the locals today, while Hunt and Shandling will work for Rupert. Sunday Manager Bishop will work Brown, Craig and Hays, while Rupert will have either Krause, Mohler or Schroeder, with Flystinger catching.

Today's game will be called at 3:15 and Sunday's game at 2:15. Manager Bishop will have a score board erected on the grounds by tomorrow at a point where it can be easily seen from the grandstand and bleachers.

## 'FRISCO TAKES FOUR STRAIGHT

**Schick Gets His Third Home Run for Week; Seaton Proves Effective**

PORTLAND, April 30.—San Francisco made it four straight from Portland today, winning 6 to 3. Polson was hit hard in spots, Schick getting a home run over the right field fence the first time he came up. This makes three for him this week. Portland got to Couch in the fourth, Seaton replacing him. Seaton was effective the rest of the way.

Score— R. H. E.  
San Francisco ..... 6 10 2  
Portland ..... 3 6 2  
Couch, Seaton and Agnew; Polson and Baker.

## VISITING TEAM BADLY BEATEN

**Salem High School Players Race Around Diamond in McMinnville Game**

Too many Gills, too many Whites and too much Jones spelled defeat for McMinnville high at the hands of the Salem high school in a baseball game played at Oxford park yesterday afternoon. Fischer also distinguished himself in the box by pulling out of several holes in a very brilliant manner.

The score was 11 to 2 and is indicative of the strength of the two teams. The two runs for McMinnville came in the first inning when two walks, two hits and an error allowed them to cross the home plate for their only runs of the game. Two of their men reached third during the rest of the game.

The local high tossers scored twice in the fourth and repeated in the fifth. No runs were scored in the sixth, but the grand blowout came in the seventh when five hits were contributed for the same number of runs. Two more runs were scored in the eighth inning without the aid of any hits.

Followers of the high school are well pleased with the showing of the locals in their first game and experience will doubtless make them trouble makers for any and all high schools they meet this year.

Salem goes to Molalla today for a game with the high school of that place.

Summary of the game yesterday is as follows:  
R. H. E.  
Salem ..... 11 13 4  
McMinnville ..... 2 6 3  
Batteries—McMinnville: Wright and Hibbs; Salem: Fisher and E. Gill, and E. Gill and Purvine. Umpires Kracke and Cohen.

after stealing second and third, scored on a sacrifice by Davis.

Pacific started the second as if they were going to cinch the game right there, but were stopped after putting two runners across the pan.

The Willamette players started the merry-go-round in their half of the second, sending in four runs before they could be stopped.

Pacific had the bases loaded in the third but could not put any runners across. Aided by three walks, three hits and a couple of wild pitches, Willamette again started the merry-go-round, tallying five runs before the session was over.

Pacific got its other two runs in the fourth on two walks and two hits. The Bearcats loaded the bases again in the fourth, but Wolf, pitching for Pacific, tightened up and struck out the next two batters.

McKittrick went in to pitch for Willamette and the next three batters went out in one, two, three order.

Three more runs were chalked up by Willamette in the fifth, making a grand total of 12.

Pacific filled the bases in the sixth but poor base running kept them from scoring. The Bearcats looked good in the game yesterday and with a few more days of practice should hold their own with the best of 'em.

## NEVER A CHANCE FOR PACIFIC U

Willamette Bearcats Toddle Around the Circuit Thirteen Times

The Willamette varsity won its first game of the season yesterday when it took the Pacific university nine to an awful drubbing in a loosely played game on Sweetland field. The final score was 13 to 4, and the game was called in the sixth inning to keep the Bearcats from wearing out their spikes running around the bases.

Irvine, pitching for Willamette, struck out the first two men who faced him, the next batter going out on an easy infield grounder.

Irvine scored the first run for Willamette when he was walked and
