

DR. M. P. MENDELSON

I will test your eyes and give you the benefit of one third of a century's practical experience.

For over 10 years I have practiced in Salem and satisfied thousands and thousands of people in Polk and Marion counties, correcting the eyes of over 1500 children during that time. Among them were many crossed-eyes whose eyes I straightened with glasses.

I have every facility for the accurate testing of sight.

I use no "drops" or drugs.

I give you my personal attention.

I guarantee satisfaction in every respect.

I change your glasses free of charge for one year, if necessary. Lenses duplicated while you wait.

My prices are very reasonable for the service and material you receive.
