Dandruff Heads Become Hairless

If you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you need, no matter how much dandruff you have. This simple remedy never fails.

GIRLS TO SERVE MAY BREAKFAST

Tempting Menu Is Prepared by Y. W. C. A. Women of University

The May morning breakfast, an annual event at Willamette in connection with the May day festivities, is always looked forward to as one of the most attractive events by Salem people in general, as well as by the students themselves. Nothing is so delightful as to eat out of doors on a beautiful campus in the crisp pleasant atmosphere of a May morning. Add to this the taste of the savory morsels prepared and served by the charming Y. W. C. A. girls and you have an idea of the reasons for the attractiveness of this event.

The tables will be set Saturday morning, May 8, under the trees and in the space between the Christo hall and Kimball Theological school. Each table will be beautifully decorated with some of the many spring flowers and greenery now available. With Ruth Wise, Muriel Steeves, Elsie Gilbert, Grace Collins and Sibel McClure in charge of the decoration of the tables, a pleasing dining table array is inevitable.

The social department of the University Y. W. C. A., with its chairman, Miss Mildred Garrett, is taking charge of the May morning feast and hopes to make it one of the pleasantest affairs of the week-end activities. This is rather an informal event that will doubtless be of especial interest to Salem people, and they will be made more than welcome by those in charge. The breakfast will be served between 6:30 and 9:30 a. m. The menu will be as follows:

Fruit jello, cereal, post toasties, waffles, biscuits, ham and eggs, coffee.

PORTLAND, Ore., May 5.—Retail grocers may soon be permitted to sell sugar at three cents margin of profit instead of the two-cent margin now allowed under federal regulation, according to Hall S.
