

Labor Union President Scores General Palmer

WASHINGTON, May 6.—Attorney General Palmer's warning of threatened May day violence and announcement of steps taken to prevent it were assailed before the railroad labor board today by Timothy Healy, president of the Brotherhood of Stationary Firemen and Oilers as a part of what he characterized as "a diabolical propaganda against labor." Such propaganda, Mr. Healy said, was started within less than 24 hours after the signing of the armistice and was designed to "poison the minds of the people to such an extent that the profiteers could still further increase prices and place the blame on labor."

BE RID OF PAINFUL CORNS

"Gels-It" Makes Them Loosen Up So They Lift Off Painlessly. There's no more pain after a few drops of "Gels-It" lands upon corn or callous and instantly dries.

In a day or two you lift the old misery-maker right off without even feeling it. That's the last of Mr. Corn and the last of your misery. Millions who have lost their corns the "Gels-It" way say it is the only common sense way to get rid of the pests. "Gels-It," the never-failing, guaranteed money-back corn remover, costs but a trifle at any drug store. Mfg. by E. Lawrence & Co., Chicago. Sold in Salem and recommended as the world's best corn remedy by J. C. Perry, D. J. Fry, Capital Drug Store, Wm. Welmeyer.

would have tied labor "hand and foot." Mr. Healy concluded with the statement that if "government officials and congress had given as much attention to curbing profiteers as they did to pounding and hounding wage earners, the cost of living would have decreased to figures within reason."

EFFORT TO UNITE METHODISTS

DES MOINES, Ia., May 5.—The first real efforts to effect organic union between the Methodist Episcopal church and the Church South, were made here tonight when the special committee on unification appointed by the general conference of the Methodist Episcopal church held its first meeting.

TWO KILLED IN AIRPLANE CRASH

SASKATOON, Sask., May 3.—R. C. Mamilton, mechanic, was killed and Lieutenant Harry Lobb was seriously injured here tonight when an airplane in which they were flying crashed to earth from a height of 1500 feet. Lobb started a spin out of which the plane was never righted.

RESENTS "MAY-DAY SCARE"

CHICAGO, May 3.—Speakers denounced Attorney General A. Mitchell Palmer and the national administration today at the convention of the International Ladies' Garment Workers' union. Clarence Darrow declared Attorney Palmer was trying to discredit organized labor by circulating "reports such as the May day scare, which had no foundation in fact." He said labor could only "come into its own when it makes itself felt in a political way."

QUARTET WILL HELP IN WORK

Professor Von Eschen and University Singers to Visit Oregon Towns

Prof. F. Von Eschen recently made a trip to Eugene and to Springfield where he consulted several men in regard to the campaign for \$100,000 for Willamette university. Committees have been appointed and when the time for the canvass arrives the men will enter upon their work enthusiastically.

Professor Von Eschen and the university quartet will spend May 15 to 19 visiting some of the cities in the state from Roseburg north. The opportunities that Willamette offers will be presented in many of the high schools. Plans for conducting the coming campaign will be discussed with the leaders of the various local committees.

LAKE COUNTY MAN INQUIRES OF HUTCHASON

Elks' Publicity Agent Commands Him to Come Along, Even If He Is Sick

SPORT PROGRAM GROWS

McGilchrist, Jr., Declares Merry Old Town Will be Gaily Adorned

Inquiries about the state Elks convention are being made these days and hereby hangs a tale. J. F. Hutchason, who is acting secretary for the advertising and program committee for the big convention was surprised to get a letter from an old friend who lives over in Lake county. This man is not an Elk but has been thinking of making a trip to the Capital city some time this summer and wrote to friend "Hutch" for information. In the letter he said:

"I understand the Elks are to hold their state convention in your city this summer. On what date will the convention be held and are other than Elks wanted? I plan to come to Salem some time this summer and when I learned that the Elks convention was to be held there I thought of you and decided to write and ask you all about it. Tell me all you can and not violate your secret obligations and I will call and thank you in person when I come over."

Friend Hears From "Hutch"

"Hutch" hates to write letters, but he couldn't very well forget this one so he wrote the friend and told him all about it. He told his friend that the state Elks convention was to be held in Salem on July 22, 23 and 24, 1920, and invited him to be here, in fact he commanded him to come and bring all the family. He told him that Salem lodge B. P. O. E. 336 was to entertain the state Elks convention and that all committees were at work planning many good things to be offered on the above dates.

"There will be something doing every minute," Hutch wrote. "You have heard this before but the members of 336 are going to show you that there will be things doing every minute. This is one time when the boys are riled up and they have taken off their coats and rolled up their overalls and waded in to make ready for the big time in July. It will be some celebration, I am telling you, and you must not miss it. Come even if you are sick, the good time you will have will cure you and keep you well."

Homes Are Opened

The accommodations committee is hard at work and the good people of Salem are throwing open their homes to the visitors so there will be accommodations for all who come. E. A. Kurtz, the smiling, happy exalted ruler of 336 is chairman of this committee and he is going to see that every one has a place to sleep even if he has to sleep in the garage.

William McGillchrist, Jr., is dreaming of decorations and he states that Salem will be decorated as never before. His fellow committeemen are working with him and the city will be beautiful.

Karl Hinges says that his committee will see that all persons coming to Salem will have all the dancing they can stand and you can rest assured that he means it.

Sports Program Immense

Frank Durbin says the his committee will have every kind of race known to the turf and that every race will be worth coming a long long way to see. This committee has in charge the boxing contests and the best talent in the country is to be booked for the convention go. The boxing is to be the best in every way—high class and such that will appeal to every person who comes to Salem.

There will be golf, vaudeville, bands, eats, parades, receptions and special entertainment for women.

PLANT BOARD TO HAVE ASSEMBLY

Western Quarantine Officials to Meet for Institute at Salt Lake

A call for the second annual meeting of the western plant quarantine board is to be held in Salt Lake City, Utah, May 11 to 13, inclusive, has been issued by G. H. Hecke, director of agriculture of California, who is chairman of the board.

The western plant quarantine board was organized at Riverside, Cal. in May, 1919, with a membership composed of the quarantine officers of the 11 western states, the territory of Hawaii, the province of British Columbia and the northern district of Lower California.

West is Protected The purpose of the organization is to protect the western states, provinces and territories as a whole against the introduction of plant pests and diseases not established west of the Rocky mountains by promoting uniformity of action in the promulgation and enforcement of quarantine regulations and to protect each other through close association enabling a better understanding of the quarantine problems in each state.

The efficient and harmonious solution of many complex problems which have arisen during the first year of the existence of the board has proven conclusively the need for such an organization. It has become more and more apparent that there is much good to be accomplished through co-ordination of ef-

Roving Tribes of Kurdish Brigands Form 'Monarchy' with Turk as King

MOUNTAIN tribes of Turkestan which have menaced travel in their part of the world for hundreds of years have recently been brought together by Enver Pasha, the former Turkish war lord, who has proclaimed himself king of the Kurds.

The organization of these tribes under the enterprising Turk will, for the first time, give America's Protestant churches, it is hoped, the means of introducing these troublesome tribesmen to some of the advantages of civilization. Through the Interchurch World Movement the evangelical churches of the United States plan to establish churches, hospitals and schools among these people, in an effort to put them in touch with western ideas and ideals.

An uncle of Enver Pasha has proclaimed himself president of Azerbaijan, the Mohammedan republic, which was recently formed in the Caucasus. A coalition of these two non-Christian states would mean a serious blow to the business and social welfare of Russia and the Near East.

fort by the different states, and the program for the second annual meeting embraces subjects of vital importance to the United States in general and to the west in particular.

Program Outlined The tentative program follows in part and special attention is called to the fact that the representative of each state will report fully on the work and problems of his jurisdiction.

Address of Welcome—Governor Simon Hamburger of Utah. Opening address—G. H. Hecke. Reports of quarantine officers. "Under what conditions should a quarantine be modified or repealed?" "Transportation agents as Potential quarantine officers." "Handling of imports of plant products in the mails." "Quarantine methods against cotton pests." W. D. Hunter, federal agricultural board, Houston, Tex. O. A. Pratt, federal horticultural board, Calexico, Cal. Nursery stock inspection.

SUFFRAGE "FLYING SQUADRON"

NEW HAVEN, Conn., May 5.—The "flying squadron" woman suffrage leaders opened its emergency drive in Connecticut tonight. The party, composed of 46 women, representing every state except Texas and Delaware, arrived in Hartford this afternoon.

It is the aim of the suffrage "emergency corps" to demonstrate to Governor Holcomb that a "special emergency exists which would warrant him to summon the legislature in special session so that Connecticut might be the 36th state to ratify the federal suffrage amendment.

Pennsylvania system, speaking for the roads, said that the government if it furnished the money could take equipment trust certificates for security and hold them until they could be sold advantageously to general investors.

With the presentation of this application, the commission before it the requests of all the trunk line railroads for increased rates. Dates for hearings will be set later, if any protests against the rates are filed. Mr. Felton told the commission that railroad facilities were not commensurate with present demands.

Mr. Felton estimated that the immediate needs of the railroads of the country for new rolling stock at \$610,000,000 and said it would be difficult for them to borrow money on their own credit at this time. Large sums, he said, also must be expended for other new equipment and for new construction, and in addition the western carriers must refund about \$430,000,000 of maturing obligations this year and next.
