

## PORTLAND WINS FIFTH STRAIGHT

Score in Seventh Was Tie, but Kenworthy Lost Game for Seattle in Eleventh

SEATTLE, May 8.—Portland won its fifth straight game from Seattle today, 6 to 5. Kenworthy's failure to beat the ball to the home plate clinching Seattle's defeat in the 11th inning. The Beavers scored in their half of the frame, and the Seattle right fielder attempted to tie the score by stretching a three-bagger into a home run. He was thrown out at the pan.

Kallio and Seibold pitched good ball throughout, but Kallio weakened in the seventh, letting in three Seattle runs and tying the score 5 to 5.

Score: R. H. E.

 Seattle ..... 5 11 4  
 Batteries—Kallio, Juney and Koehler; Seibold and Baldwin (11 innings.)

 LOS ANGELES, May 8.—Bill Perry, signed yesterday by Vernon, pitched and won his first game of the season—an eleven inning contest, 2 to 1, and broke the winning streak of Holling, Oakland pitcher. Mitchell opened the eleventh with a single to left and went to second on Chadbourne's hit. Both advanced a base on Fisher's sacrifice. Mitchell was caught at the plate on an attempted squeeze play while Chad-

bourne took third and scored when Edington singled to left.

LOS ANGELES 4; Seals 0.  
 SAN FRANCISCO, May 8.—Couch's wildness and San Francisco's errors enabled Los Angeles to blank the Seals today 4 to 0.  Batteries—Aldridge and Bassler; Couch, McQuaid and Agnew.

SACRAMENTO 11; Salt Lake 0  
 SALT LAKE CITY, Utah, May 8.—Airtight pitching by Penner and heavy stick work by his team mates enabled Sacramento's Senators to score a win over Salt Lake today 11 to 0. Salt Lake made numerous errors and Pitcher Levernz was replaced by Reiger in the seventh inning.

Score: R. H. E.

### Cannon Motor For Large Air Battle Cruisers

SAN FRANCISCO, May 6.—Development of a cannon-motor for high-powered battle cruisers of the air for the ordnance department of the United States army places America in the van of military aeronautics and revolutionizes aerial fighting. It

was announced at the recent show here with the sanction of Major General Clarence S. Edwards of the ordnance department of the army.

The special 300 h. p. army motor is built around a 37 millimeter cannon, which is housed in the crank case of the motor. It fires an inch and a half armor piercing shell, the cannon muzzle projecting through the propeller base. It has a 14-inch recoil.
