Alden To Eastern Oregon—
Dean George H. Alden has left for eastern Oregon and Washington where he will spend a few weeks laboring in the interests of the Greater Willamette fund campaign. The Salem university is facing a crisis in its history when enlargements and improvements are needed. The excellent results of the institution have always been achieved by means of the sacrificing spirit of its supporters and teachers and it is hoped that by this means old Willamette may meet the present emergencies and thus be enabled to "keep the faith" and continue its paternal guidance and instruction of the western youth. All of the professors and students of Willamette are lending the campaign their unqualified support.

Fashion has decreed the sports skirt a necessity of the summer wardrobe. And surely it is a delightful necessity when one finds such lovely models as we are now showing. Your skirt may be a gleamy white or a pastel shade of delicate tint. When worn with the sheer blouses of the present mode, a silk sports skirt becomes a thing of beauty.

We regret that we were able to secure only a hundred and fifty of these skirts, for they were such a fortunate buy that we are able to price them most attractively. We will doubtless have many more calls for these skirts than we can accommodate, but, of course, it is the early shopper that will reap the advantage of this sale.
