Standard Puts Gasoline Down—The Standard Oil company announced yesterday a reduction in the price of gasoline to Salem people. They chopped a cent and a half a gallon of the price—which will surely delight all buzz wagon devotees. And it is rather a novelty in the trend of things as things in general have been going in the recent past. The Standard Oil price to Salem customers, at retail, this morning, is 26 1/2 cents a gallon; and this includes the state gasoline tax. Whether this is in sympathy with the nation-wide downward sweep of prices in general, or only a local manifestation, dependent does not presume to say. But that it will be welcome news goes without saying.

SILK SPORTS SKIRTS

Of Silks, Satins and Crepe de Chine

Fashion has decreed the sports skirt a necessity of the summer wardrobe. And surely it is a delightful necessity when one finds such lovely models as we are now showing. Your skirt may be a gleamy white or a pastel shade of delicate tint. When worn with the sheer blouses of the present mode, a silk sports skirt becomes a thing of beauty.

We regret that we were able to secure only a hundred and fifty of these skirts, for they were such a fortunate buy that we are able to price them most attractively. We will doubtless have many more calls for these skirts than we can accommodate, but, of course, it is the early shopper that will reap the advantage of this sale.
