

IN A SOCIAL WAY

By RUTH LENORE FISHER

Miss Ruth Smith is spending the week-end in Dallas with friends.

Miss Ruth Taylor of Lausanne hall is visiting relatives in Sheridan for the week-end.

Miss Constance McClain and Miss Ida Niswander are in Corvallis this week-end for the O. A. C. pageant and other junior week-end festivities.

Mr. and Mrs. W. M. Plimpton accompanied their house guests, Mr. and Mrs. J. B. Abbott of Portland, to that city for the week-end.

Charles Robertson of the University of Oregon is spending the week-end with his parents, Dr. and Mrs. C. H. Robertson.

The Daughters of the American Revolution met yesterday afternoon at the home of Mrs. Homer Smith on North Summer street for a very interesting meeting. Mrs. Isaac Lee Patterson, national vice president

general of the Daughters of the American Revolution was present and spoke to the meeting on her recent visit in Washington, D. C., where she attended the annual congress of the national organization.

The annual election of officers for the year was held at this meeting and all officers for the present year were re-elected. Mrs. Seymour Olmes, regent of Chemeketa chapter; Mrs. U. G. Shipley, vice regent; Mrs. Russell Catlin, secretary; Mrs. O. P. Hoff, treasurer; Mrs. Frank Spears, registrar; and Miss Lillian Applegate, historian. Mrs. W. H. Byrd was the only new officer elected, she being elected to fill the vacancy of director for Mrs. J. W. Woodruff who has moved to Eugene. The other directors who were re-elected were Mrs. C. C. Clark, and Mrs. Homer Smith.

Mrs. Patterson as national vice president general presided at the impressive installation service which followed the election. The rooms were attractively adorned with a profusion of lupine, hydrangea and pink tulips centered the perfectly appointed tea table at which Mrs. Patterson presided. In serving Mrs. Smith was assisted by Mrs. Charles Wilson.

A large number of Daughters were present for the meeting yesterday.

Mrs. J. L. VanDoren entertained the matrons of the Bridge club Tuesday afternoon for the afternoon of cards which is enjoyed by these matrons once each week. Pink honey-

suckle added a pleasing fragrance to the rooms as it was gracefully placed about in baskets. After the play assisted by Mrs. Frederick Thielsen. Mrs. Van Doren served refreshments. Besides the club members Mrs. Ben W. Osoot, Mrs. William H. Lytle, Mrs. Walter McDougal and Mrs. Dan Fry, Jr., were bidden. Mrs. W. M. Plimpton will entertain the club Tuesday.

Culminating the week's festivities in a most pleasing manner was the complimentary musicale which Miss Minnetta Magers and the Nevin Laddie's club of which she is director, gave last night in Miss Magers' studio in the Derby building. A large number of friends of the club members assembled to hear the initial appearance of the club which was organized last autumn. This charming manner of the studio musicale and the reception which followed was the way the club members chose to make their debut to Salem folk. During the reception Mrs. Dan Fry, Jr., and Miss Ruth Pierson presided over the punch table.

For the evening Miss Magers' studio was attractively adorned with columbine which was arranged in large French baskets.

The program which was given was most delightful to the guests in artistry and in the ability of the artists.

Mrs. J. L. Van Doren entertained with a delightfully informal dinner but which was beautifully appointed, Tuesday evening at her home, having as her guests, Mr. and Mrs. McDougal, Mr. and Mrs. James Linn and Mr. and Mrs. Frederick Thielsen.

Delightfully out of the ordinary was the manner in which Mrs. E. C. Small and Mrs. George J. Pearce entertained the members of the Leisure Hour club at the Pearce home on North Winter street Wednesday

afternoon. Each guest came to represent a song and many of the costumes were clever and many were beautiful.

Quantities of columbine in varied hues gracefully adorned the rooms. The hostess served a dainty lunch. Invited guests were Mrs. E. Lamb, Mrs. John W. Harbison, Mrs. H. A. Sonne and Mrs. G. F. Chambers.

In accordance with the annual custom of the freshmen at Willamette university the class entertained the senior class at the Salem high school yesterday afternoon with a picnic. The party went to Painter's woods where they spent the hours with song, bonfire and the usual "good eats" which are the feature of all picnics.

Mrs. James McGilchrist and two small daughters have left for Scotland where they will spend the summer visiting with Mrs. McGilchrist's parents in Glasgow. They will also visit other relatives in other cities of that country.

Mrs. L. R. Waters (Hazel Blake) will leave Thursday for San Francisco where she will join her husband who is attorney for the Clark-Henry Construction company.

The announcement was made this week of the engagement of Miss Ruby Welsh, daughter of Mr. and Mrs. J. T. Welsh, to James (Jack) Hayes of this city. The wedding date has not been decided but it will probably be in the near future. Miss Welsh has lived in Salem for a number of years and has a wide circle of friends. She is a graduate of Salem high school and for some time has been employed at the secretary of state's office.

Mrs. Ralph Mercer (Harriet Rigdon) and Miss Lella Ridgon arrived last night from Newport and are at the home of their parents, Mr. and Mrs. W. T. Rigdon. Mrs. Mercer will visit for several weeks at the home of her parents before leaving for Ardmore, Okla., where she will join her husband.

these strike troubles. "They remind me of a chap who repented of his engagement." "So," said a friend, "you can't see any way of getting out of the engagement honorably, eh?" "No," the chap groaned. The People Of SALEM

Should know that the W. W. Moore Co. stage no sensational sales. We do not believe in marking our goods up and then staging a big so-called "Sale."

A merchant is in business to make money. If he advertises "At Cost" and "Below Cost" there is something wrong because he can not operate his store without a profit any more than you could keep up your home without an income. Here is how we mark our goods. Cost plus overhead expenses, then a small profit.

This gives you a moderate and fair price on not only a couple of "Specials" but on all goods in our store, and that means everything from basement to attic.

OIL STOVES

Are the ideal cooking devices for Summer. They do not heat up the room to a disagreeable temperature. Can your fruit on an oil stove and it will be a pleasure. The old method is real work. Then too, you are not wasting fuel because when your cooking is through the consumption of your fuel stops.

We feel that we have the most up-to-date and economical oil stoves in Salem. The cost is surprisingly low. See them in our window.

An Oldsmobile Economy Truck, loaded to capacity, pays a profit every inch of the way. It saves money by reason of its speed, light weight, and dependable power.

The dead weight of any big truck is out of proportion to the average load carried. A big truck, half loaded, is a useless expense. The big investment, the excess power, the high upkeep cost—all these are uncalled for.

The Oldsmobile Economy Truck is adaptable to any business, city, or country. It is the unquestioned leader in the light haulage field. It is built and powered to the average load with its 4-cylinder, valve-in-head motor; internal gear drive; complete electrical system; deep channel frame; 35x5 pneumatic cord tires all 'round; extra long, flexible, semi-elliptic springs.
