SPRING DEBILITY

Loss of Appetite, That Tired Feeling and Sometimes Eruptions. Thousands take Hood's Sarsaparilla as their spring medicine for that tired feeling, nervous weakness, impure blood and testify it makes them feel better, eat and sleep better and "makes food taste good." Spring debility is a condition in which it is especially hard to combat disease germs, which invade the system here, there and everywhere. The white blood corpuscles, sometimes called "the little soldiers in the blood," because it is their duty to fight disease germs, are too weak to do good service.

Hood's Sarsaparilla increases the "little soldiers" and enables them to resist germs of grip, influenza, fevers and other ailments. It has stood the test of three generations, giving entire satisfaction. Get it today. If a laxative or cathartic is needed, take Hood's Pills.

new improvements and changes. The entire salesroom on the first floor has been re-plastered, better accommodations in the tailoring room have been made, and several new furnishings for the salesroom have been secured. Scenes in Norway—In 40 beautiful colored pictures, unsurpassed. First Congregational church at 8 p. m. today.

Realty Deals Made—Gerald Volk has closed a contract for the purchase of the store building now occupied by Powers & Son, fruit packers. Dr. W. J. Patterson has traded for the Pugh fruit farm on Garden road.

Silverton Fans See "Kilkenny" Fight

Max Hafter "Kilkenny," Salem's fighting newsy, fought a fast bout last night at Silverton against Frank Alm, 130-pound lad of Silverton. No decision was given. Three other bouts were on the card that the Silverton sport lovers gave last night and they furnished plenty of mixing. "Kilkenny" earned quite a reputation for himself when he boxed "Spider" Webb, at one of the Elks smokers here a short time ago, at which time he secured a crowd decision over Webb.
