

LATE COUNT CUTS LEAD OF JOHNSON

(Continued from page 1.)

by the Democrats against Harvey J. Starkweather by a vote of nearly two to one. Returns from 245 precincts complete in Multnomah county, and the scattering returns from 18 counties other than Multnomah, gave Chamberlain 5,154; Starkweather 2,580.

Chamberlain's lead of approximately two to one was maintained in returns from every county thus far reporting.

Representatives C. N. McArthur, W. C. Hawley and N. J. Sinnott were all renominated on the Republican ticket. In the contest for the Democratic nomination for representative from the third district between Dr. Esther Pohl Lovejoy and Mrs. Alexander Thompson, the former was leading by 614 votes, which had been counted in 245 precincts complete out of 403 in Multnomah county. The vote was Lovejoy 2,790; Thompson 2,176.

The fuller count of the ballots has not changed the general situation as to other candidates.

Kozer's Big Lead.

The race for secretary of state was decided on the early returns, Sam Kozer piling up a big lead over his opponents. Fred Lockley ran second, with less than half the votes given Kozer, with Jones, Schulderman, Parsons, Wood and Coburn running in the race in the order named. This vote in 18 counties including 122 precincts in Multnomah county gave:

Hotel SEWARD

Alder at 10th Street
PORTLAND, OREGON

The most homelike hotel in Portland. All Oregon Electric trains stop at the SEWARD.

Rates \$1 and up. With private bath \$1.50 and up.

Kozer 7999; Lockley 3432; Jones 2600; Schulderman 2465; Parsons 2106; Wood 1825; Coburn 1508.

Fred G. Buchtel was running far ahead of Edward M. Cousins in the race for the Republican nomination for public service commissioner. Returns from seven counties in the west side districts gave: Buchtel 8989; Cousins 4177.

Mr. Buchtel led in every one of the counties reporting, his lead in Multnomah county on the basis of complete reports from 122 precincts being 5921 to 2258.

H. H. Corey also apparently was nominated to the public service commission from the Eastern region district, his vote being consistently ahead of Luper on scattering returns.

State Measures Carry.

Every state measure on the ballot on constitutional amendments and referred measures carried by safe majorities. The millage tax for the University of Oregon, Oregon Agricultural college and state normal school went over by a vote of three to one on the basis of returns from 17 counties. The elementary school tax measure was carried by even a greater majority.

The measure to restore capital punishment seemed in doubt for a time because of an adverse vote in Multnomah county, but this was more than wiped out by the upstate vote, and on the basis of the returns from 17 counties there was a lead of 3300 for the measure.

The vote in 17 counties including 162 precincts complete in Multnomah county was as follows:

Road bond amendments—Yes, 18,839; No, 5,905.

Capital punishment—Yes, 15,827; No, 13,525.

Successor to governor—Yes, 15,920; No, 8,974.

Higher education aid—Yes, 22,651; No, 7,273.

Soldier's educational aid—Yes 14,612; No, 7,969.

Elementary school tax—Yes, 24,479; No, 6,294.

Blind school tax—Yes, 21,801; No, 4,297.

EUGENE, Or., May 22.—Ninety-four precincts complete out of 98 in Lane county gave the following totals for president:

Hoover, 865; Johnson, 1842; Lowden, 669; Wood, 2556.

Ninety-four precincts complete out of 98 in Lane county give for secretary of state: Coburn 326; Jones 450; Kozer 1781; Lockley 405; Parsons 2229; Schulderman 310; Wood 409.

MEDFORD, Or., May 22.—With only 11 precincts missing out of 56 in Jackson county, the vote on the president stands: Wood 1314; Johnson 774; Hoover 488; Lowden 192.

REMAINS TAKEN TO MEXICO CITY

Carranza Family Privileged to Conducting Private Burial

MEXICO CITY, May 22.—The body of V. Carranza is due to arrive in Mexico City this evening. The six other victims of the attack of May 20 have been buried at the scene of the battle.

Permission has been granted relatives of the late president for the private interment of his body. These include his daughters, Julia and Virginia, the latter the wife of General Candido Aguilar.

There is still uncertainty regarding the names of Carranza's companions who were killed. It is believed, however, that they were General Francisco Murguía, General Francisco Urquiza, under secretary of war and marine; Luis Babera, secretary of the treasury and his brother, Alfonso Cabrera, governor of Puebla; Manuel Aguirre Berlanga, secretary of the Interior and General Pilar Sanchez.

WOOD LEADS JOHNSON

(Continued from page 1.)

Wrightman for delegate to the national convention from the first district and accorded Walter L. Tooz, Jr., of McMinnville a handsome vote for the second man to represent the district. Both men probably are winners in the district.

Steelhammer is an easy winner for assessor and Rigdon has a substantial majority over Clough for Coroner.

In the vote on measures Marion county has awaited the bill changing the succession to the governorship from the secretary of state to the president of the senate, the higher educational tax bill and the soldiers' educational aid measure. All have passed according to state returns.

Marion county Democrats have expressed a choice for George E. Chamberlain over Harvey G. Starkweather for United States senator by a decisive vote. Starkweather is the administration candidate.

Returns complete from 66 precincts give:

Republican Ballot:

Wapato, Miss Mason and Ramsey Are Student Choice

The Willamette university student body elected members of the forensic society for next year in a meeting yesterday. Only students who had won their "W" in oratory or debate during this year were eligible. Paul Wapato was thus the only candidate for election on the grounds of having won a "W" in oratory. However, there were eight debaters to choose from. A vote of the student body was taken and Paul Wapato, Myrtle Mason and Bernard Ramsey were elected.

**Women Mission Workers
to Assemble This Week**

The Oregon branch of the Woman's Home and Foreign Missionary society of the United Evangelical church will hold its 17th annual convention in this city during Wednesday, Thursday and Friday of the coming week.

Rev. C. Newton Dubs, pioneer missionary of the United Evangelical denomination who has spent some 20 years in active missionary work in China will be present, giving addresses on Wednesday evening, Thursday forenoon, afternoon and evening. An invitation to be present is extended to all friends who are interested in the cause of missions. The addresses of Dr. Dubs, it is said, will be especially interesting and helpful.

Treasury Opposes Plan To Apply Bonds on Taxes

WASHINGTON, May 22.—The treasury's opposition to any plan by which Liberty Bonds would be accepted in payment of federal taxes was expressed tonight in a letter from Assistant Secretary Leffingwell to a correspondent. Mr. Leffingwell declared that such a program would force the treasury to replace by fresh borrowing money which it would have received in taxes.

The acceptance of bonds in tax payments, Mr. Leffingwell said, would merely mean that the long term debt would be decreased while the short term or floating debt which is made up of treasury certificates of indebtedness would be increased correspondingly. He believed this would also have a deterrent effect on Liberty Bond quotations.

Must Explain Campaign Expenditures to Senate

WASHINGTON, May 22.—A dozen men actively engaged in pre-convention campaigns of Republican and Democratic presidential aspirants had directions today from the senate investigating committee to be here Monday to explain expenditures and from whom the money was obtained. Some already have responded.

Frank P. Hitchcock, former postmaster general and active leader in the campaign to nominate Major General Leonard Wood and Bernard M. Baruch, former chairman of the war industries board, called as a representative of William G. McAdoo, were included in the number.

While their answers were not among those which reached Chairman Kenyon, L. L. Emerson, representing Governor Lowden of Illinois, Angus McSwain for Senator Johnson, E. H. Moore for Governor Cox, H. M. Daugherty for Senator Harding and Howard M. Rice for Senator Poindexter, agreed to appear.

Chairman Kenyon said the committee was prepared to conclude the investigation before the June conventions.

American Legion Adds Half Million Members

INDIANAPOLIS, May 22.—Estimates based on incomplete reports from all parts of the country received here tonight indicate that the American Legion has added between 400,000 and half a million new members to its rolls in the nation-wide membership campaign of the past week. The final check will be made on June 1.

New York, Texas, California, Virginia, Ohio, Illinois and Pennsylvania all appear as contestants for first place in the race on the basis of early returns.

INDEMNITY IS APPORTIONED

Penalty For Germany's Involving World In Great War

PARIS, May 22.—France is to receive 55 per cent of Germany's indemnity. Great Britain 25 per cent and the remainder is to be divided between Belgium, Italy and Serbia. Premier Millerand told the finance and foreign affairs committee of the chamber of deputies today in explaining his recent conversations with Premier Lloyd George at Hythe. The proportions to be allotted to France and Great Britain, he declared, had been agreed on by the peace conference.

M. Millerand stated that the rate of interest to be demanded from Germany of the 120,000,000,000 marks indemnity she was to pay has not been determined but he believed it would not be less than 5 per cent plus a one per cent redeeming rate for the holders of gold bonds which Germany must issue.

The indemnity, he said, would be exclusive of the coal delivered to France and of the compensation for devastated mines and for cattle destroyed or stolen during the war.

Minnesota Tornado Toll One Dead and Ten Injured

ST. PAUL, Minn., May 22.—One person dead, and more than 10 injured was the toll of two tornadoes that late today swept Castle Rock, Minn., a town of 200 population, 50 miles south of here, and a strip of countryside near Red Wing, Minn.

Five persons were injured at Castle Rock when a number of buildings were struck, while the second storm wrecked the farm home of Godfrey Swanson, near Red Wing, killing his 11-month-old son and injuring Swanson, his wife and her sister.

Barn buildings in northern Steele county and southeastern Rice county were wrecked.

Preparing for Tacomas Motor Car Racing Classic

TACOMA, Wash., May 22.—To select from 10 to 15 drivers for the 1920 motor car racing classic at the Tacoma speedway on July 5, W. C. Baldwin, president of the Tacoma association, is en route to Indianapolis, it was announced here tonight. Baldwin will witness the Memorial day events at Indianapolis and returning will bring several carloads of machines, drivers and mechanics. Directors of the Tacoma speedway have announced a purse of \$25,000 for the 225-mile race. Tacoma business men recently subscribed \$100,000 to build a new grandstand with a seating capacity of 15,000 persons. The 1920 events will be the ninth annual program at the track.

Ex-Kaiser's Hangings Go at Low Prices at Auction

NEW YORK, May 22.—Americans today evinced no great determination to become possessors of articles once belonging to ex-kaiser Wilhelm.

Seven lots of gold embroidered hangings from the throne room of the imperial palace at Berlin were knocked down under the auctioneer's hammer here today for only \$305.

The gorgeous hangings, embroidered with imperial Prussian eagles, brought a mere \$35 to \$75 each, or about \$5.65 for each royal bird. The

entire collection valued at approximately \$60,000 went for \$7,877.50. Dealers and professional buyers bid in most of the articles.

Spirited bidding, however, met the offer of one of the former Kaiser's big carved ivory beer mugs from the Havarian chateau at Munich. It was bought by Paul Block, an advertising man, for a private purchaser. He paid \$200 for it, and after the sale announced that he had been instructed "not to let it get away under \$2500."

Nation-Wide Freight Jam Shows Some Improvement

WASHINGTON, May 22.—The edge apparently has been broken off the nation-wide freight jam through joint efforts of the railroad, the interstate commerce commission and shippers.

Advices tonight from the principal congestions showed slight and continued decline in day shipments of loaded cars awaiting movement, while reports to the American railroad association indicated a general public awakening to the need of thorough co-operation if the blockade was to be lifted. This, with drastic steps taken by the government in ordering complete disregard of routing and the swift exchange of equipment, was counted as "a starter."

Firemen's Wage Demands "Unjust and Exorbitant"

CHICAGO, May 22.—Asserting that wage demands of railroad firemen were "unjust and exorbitant," T. T. Whittier, representative of the association of railway executives, told the railway labor board today that the increases would add from 170 to \$317 a month to firemen's pay.

He said the increases asked by the firemen ranged from 38 to 94 per cent, which he said would advance wages from an average of \$137 a month to a minimum of \$208 and a maximum of \$495.04.

He opposed the payment of time and a half for overtime and Sunday work on the ground that such work could not be avoided.

Yacht Resolute Loses Mast in Tuning Up Race

NEW HAVEN Conn., May 22.—Resolute's hollow wooden mast crumbled up today as the Herreshoff boat was finishing the first round of her first tuning up race with Vanitie, and with a crash mast, spars, sails and rigging went over the starboard bow. Vanities, which was two minutes astern, came up into the wind and after ascertaining that no one was injured, bore up the harbor.

As soon as the wreckage of the

Resolute had been cut away and recovered with the aid of numerous launches, the tender Montauk sent a line on board and the yacht was taken in tow at once for Bristol, R. I., where a spare mast will be stepped for a resumption of the race with Vanitie to decide which will defend the American's cup against Sir Thomas Lipton's Shamrock IV.

These probably will be off Newport in about ten days. Vanitie will be towed to Bristol tomorrow, it is expected.

All hands on both boats seemed to feel that the accident came at an opportune time and that no reliance can be placed on built-up wooden masts.

Heavy Fighting Reported on the Polish Border

WARSAW, May 21.—Nine Bolshevik attacks have been repulsed in the last 24 hours on a front of 140 kilometers, according to the Polish official communication, which adds: "The Bolsheviks are trying hard to break the Polish defense. The fighting has been especially severe along the upper Beresina, which the Reds have not crossed."
