

### TRIBUTE PAID SOLDIER AND SAILOR DEAD

#### Veterans of Nation's Wars Join in Impressive Street Spectacle

### LEGION RECEIVES FLAG

#### Sea Fighters Honored With Special Ceremony at Inter-county Bridge

The Memorial day parade held yesterday was in tribute to the soldiers and sailors who made the supreme sacrifice for their country in the various wars in which the nation has been engaged. Civic and patriotic organizations made splendid showings with the large number of members who turned out to do honor to their dead comrades and friends who bravely gave their lives in defense of their flag. Colonel Carl Abrams, who was officer of the day, led the parade which formed on Commercial street, east on Court to High, south on High to State, west on State to Commercial, south on Commercial to Ferry, east on Ferry to the armory.

In the line of march, and was generous with music. Next came Company M, Fifth Oregon Infantry, commanded by Captain Leroy Hewlet. Company M was followed by the veterans of the Grand Army of the Republic, and the way those old warriors did step, maybe not as spry as in former years, but they still show the spirit that led them through so many battles. The number of G. A. R. veterans who turned out leads one to wonder why there wasn't a better showing of veterans of later wars. The Women's Relief Corps and the Ladies of the G. A. R. were next in line and were followed by a large number of Spanish war veterans. The Ladies auxiliary, Spanish-American War veterans, was next in line with the American Legion ending the first division.

The second division was composed of the Salem high school band, the cadet corps of the Salem high school, Sons and Daughters of Veterans, Salem public school children and teachers and the Salem Boy Scouts.

After reaching the armory the paraders were addressed by Governor Olcott who also introduced Judge George H. Burnett, the speaker of the day. Judge Burnett's address was based on Lincoln's Gettysburg speech and on the doctrine which Lincoln taught during his administration.

Patriotic singing by all followed Judge Burnett's address, with Mrs. Lamoine R. Clark leading. Mrs. F. L. Waters sang a beautiful solo and Lincoln's Gettysburg address was delivered by Mrs. Ronald Glover.

**Memorial Trees Planted.**  
With nearly a thousand people present Capital Post No. 9, American Legion held its tree-planting services on the Court house lawn yesterday morning. Commander W. Carlton Smith delivered a very appropriate address in which he pledged the reverence and gratitude of all true Americans to those who had given their all in order that their country might live.

Commander Smith declared that the trees which they had planted would be symbolical of the increased reverence borne in their memory as the passing years disclose the value of their gift to America. The two Italian cypress trees were planted on the east lawn of the Marion county court house and many of the mothers and relatives of the 67 men from this vicinity who gave their lives, were present and assisted in the dedication. The G. A. R., Women's Relief Corps, Spanish-American War veterans, the D. A. H. and other patriotic organizations assisted in the services. Many spectators added flowers to the earth as it was packed about the trees.

As the band played the "Star Spangled Banner" many eyes filled with tears. The civil war veterans gathered at the armory at 10 a. m. where each secured flowers. The automobiles conveyed the old soldiers to the cemetery where their comrades are sleeping. A squad composed of members of Company M, Fifth Oregon Infantry, commanded by First Sergeant J. F. Welsh, fired a volley as part of the services.

**Sailor Dead Remembered.**  
At 1:30 the entire membership of the Woman's Relief Corps gathered at the Marion-Polk county bridge to pay homage to those who gave their lives fighting on the water, while in the service of the United States. A boat beautifully decorated with flags and flowers by the Salem boy scouts was sent floating down the river and beautiful wreaths were cast on the waters in honor of the unknown dead by Mrs. Mary Entress, president of the W. R. C. and Commander Watson, G. A. R. as the women's quarter composed of Mrs. F. L. Waters, Mrs. Lamoine R. Clark, Miss Mary Albrich and Miss Edith Benedict sang patriotic songs. Taps was blown, ending a beautiful service.

### Indian Ready for His First Flight During Celebration in Canada of 250th Anniversary of the Founding of the Hudson's Bay Company

With elaborate ceremonies Canada is celebrating the 250th anniversary of the founding of the Hudson's Bay Company by Prince Rupert and others to engage in the fur trade with the Indians. Indians, in costumes historically correct in every detail, are taking a prominent part in the celebration, which opened at Winnipeg. There will be similar celebrations at Edmonton, Calgary, Vancouver and Victoria. The primitive methods of transporting furs and provisions are faithfully reproduced and the red man's introduction to the airplane was a startling reminder of the difference between 1879 and 1929. The above photograph was taken at Winnipeg just before an Indian started on his first flight.

### KNIGHTS OF COLUMBUS MEET

PORTLAND, Or., May 31.—With election of officers for the ensuing year, the state council of the Knights of Columbus brought to a close its annual convention here tonight. Membership in the order in Oregon has increased forty percent in the past year, and this increase entitles Oregon to send three delegates to the national council instead of two, as heretofore, according to reports made to the convention. One of the three delegates will be selected to go to France as a guest of the French government.

### HARD TO PREDICT, SAYS TAFT

YAKIMA, Wash., May 31.—"I don't remember a convention when it was harder to predict the candidates on both tickets. I consider that Wood and Lowden will be the leading Republican candidates and McAdoo and Cox will lead on the first ballot at San Francisco," said William H. Taft, former president, while here today on his way to Surabaya, where he spoke tonight. "As for Poindexter—you want to know seriously? Well, then if Poindexter's candidacy has any strength I have failed to discover it," Mr. Taft added in response to the question.

This play will be the largest production ever attempted by members of the institution and will be one of the principal events of commencement week, which is now in progress.

### MEXICO WANTS FRIENDSHIP

#### Huerta to Aid Outside Capitalists Who Wish to Develop Country

MEXICO CITY, May 31.—Guarantees to all political candidates, efforts to improve the conditions of the workers and to aid capitalists in developing national resources, and an intention to strengthen Mexico's relations with "all the free peoples of the earth" were pledged today by Adolfo de La Huerta, provisional president, in a statement to the Associated Press.

He made his statement while lying on a sick bed. He said Ygnacio Bonillas, former ambassador to the United States, who is under arrest, would be liberated but if an investigation showed him to be a foreigner, he would be expelled for having mixed in Mexican politics.

The provisional president said he would name a commission to investigate the death of President Carranza. On this commission he would invite members of the diplomatic corps and the press to aid.

It is expected that the provisional president will take the oath of office tomorrow.

No doubt peace would be more popular in this country if we had a fair sample of it to go by.
