By RUTH LENORE FISHER.

JUNE, the month of brides, bids fair to be a busy one for Dan Cupid if yesterday's news is to say about it, for three Salem maidens plighted their troth and one Eugene maid was wedded to a Salem man yesterday. The first wedding of the day was the simple but beautiful wedding at the Eugene Eckert home when Miss Inez E. Stege of Eugene became the bride of Eugene Eckert Jr. The service was read at 9 a. m. by the Rev. Father Buck in the presence of a few relatives. Miss Nancy Skafte was bridesmaid and Paul Manres was groomsmen. The bride was lovely in a smart navy blue tulle with hat to match and she carried a corsage of Cecil Brunner roses. An elaborate wedding breakfast was served following the ceremony, and Mr. and Mrs. Eckert left for a wedding trip and upon their return will make their home at 335 Union street.

Miss Opal May George and Ralph W. Lindsay were married at 9:15 yesterday morning at a pretty home wedding at the home of the bride's parents, Mr. and Mrs. Jesse George, on North Twelfth street. The impressive ring service was read by Rev. Horace N. Aldrich in the presence of relatives of the bride and

room. Immediately after the ceremony Mr. and Mrs. Lindsay left for a honeymoon at the beach. The bride was beautiful in a navy blue tulle with a hat to match. She carried a corsage of Cecil Brunner roses and fern. Her sister, Miss Pearl George, was her maid of honor and Velda Lindsay, brother of the groom, was his best man. They will make their home in Eugene.

Miss Ruby E. Welsh and John I. Hayes were quietly married yesterday afternoon at 3 o'clock at St. Joseph's Catholic church. Rev. Father Buck read the service with only relatives present. Mr. and Mrs. Albert Bishop were the only attendants. Immediately after the wedding Mr. and Mrs. Hayes left for a wedding trip to Portland and Seattle.

The fourth couple to wed yesterday were Miss Emogene Ellis of this city and J. Cyrus Price of Eugene, who were married last night and left immediately for a wedding trip to Portland. The groom is a brother of Oscar E. Price of this city, and the bride is a well known Salem young woman.

Mr. and Mrs. Lee Canfield, Mr. and Mrs. Lester Davis, Mr. and Mrs. E. A. Kutta, Mr. and Mrs. P. E. Fullerton, Mr. and Mrs. Harry Styles, Mr. and Mrs. U. S. Page, Mr. and Mrs. A. J. Davidson, Mr. and Mrs. Elmer Danc, and Dr. and Mrs. O. A. Olson formed a motor party that returned yesterday from Neskevin, after passing the week-end and Monday.

The friends of Major and Mrs. Allan Hall (Jessie Holcomb) are regretting the announcement of their departure very soon for Tillamook. Major Hall, who for some time was in the adjutant general's office, has resigned and has taken over the law office of E. Maunick at Tillamook. Major Hall returned last night from that city and they plan to leave Salem within the next fortnight.

Mrs. F. E. Shafer was hostess for a happy little line party for her son Frank, Saturday afternoon to celebrate his 13th birthday anniversary. After attending the matinee at the Oregon the party adjourned to the Shafer home on State street where a lunch was served. Clever little favors and place cards marked places at the luncheon for Alvin Burton, Julius Sonne, Karl Corp, Willie Hop Lee, Edward Siegmund, Edward Fisher, Donald Dekebach, Rolland Graber and Frank Shafer.

The Presbyterian Missionary society will meet Friday afternoon to have as its guest of honor Mrs. Fred Neal, a missionary from South Africa, who is in the states for a time. Mrs. Neal will speak to the women and will display many curios and interesting articles which she brought from Africa.

Mrs. Neal will be remembered by many Salem folk as the wife of a former student at Willamette university who now has the largest church in South Africa. After the address an informal social hour will be enjoyed.

The music department of Willamette university will present its students in concert tonight at the First Methodist church. The program will begin at 8:15 o'clock. This concert is one of the closing semester recitals which are given to present to the friends the work of the students during the year.

FEW FOLKS HAVE GRAY HAIR NOW

Druggist Says Ladies Are Using Recipe of Sage Tea and Sulphur.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of Wyeth's Sage and Sulphur Compound which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Bad Complexions Peeled Off At Home

The girl with the poor complexion complains, "I have to touch up my cheeks. I am sallow and a sight, and only my makeup saves me." Now, as a matter of fact, more women spoil their good looks than improve them with cosmetics. The practice certainly is unnecessary, now that the virtues of ordinary mercurized wax as a beautifier have become known. It has been found that the wax has wonderful absorbent powers. It causes the faded or discolored skin to flake off in minute, almost imperceptible particles, so gently, gradually, as to cause no inconvenience at all. In this way the old complexion is actually removed—likewise all fine lines, freckles, pimples, blotches, moth patches and other surface defects. A new complexion appears—a clear, smooth, youthful, healthy-hued skin such as no rouge, powder or cream can produce. Mercurized wax to be had at any drug store in convenient size package, is applied like cold cream and allowed to remain on over night.

What's become of the prejudice against automobiles because they frightened the horses

NOW cars are everywhere. The horses have gotten used to them—and so has everybody else. Think of it! This year the American people will spend nearly a billion dollars on tires alone.

Tires are one of the biggest items on the car owner's bills.

Hardly a Saturday, when you motorists drop in to "tune up" for a Sunday trip, that one or more of you doesn't tell us something of value to our business. Sooner or later it comes back to you in Service.

Service is what the car owners of this community are looking for nowadays.

And especially the small car owners, who put service

first in figuring their motor-ing expenditures.

Just because a man has a moderate-price car is no reason why he should get any less service out of his tires.

We believe that the man with the small car is entitled to just as good tire service as the man with the big car—and both are entitled to the best tire service they can get.

That's why we represent U. S. Tires in this community.

And why more car owners—large and small—are coming to us every day for U. S. Tires.

Come in and talk to us about tires. We're here to help you get the kind of tires you want.
