The Announcement Extraordinary

When You have a Real Good Thing to Offer—Make it Known—Read This Through

For a very limited time we are privileged to offer the Biggest Bargain in an

Orchard and Berry Ranch in Marion County
57 ACRES—\$20,000

60 per cent in full bearing Cherries, Loganberries, Prunes. 25 per cent in young bearing tree fruits, Pears, Plums, Apples and Walnuts

10 per cent in seedling cherries, and balance garden land, and yards

One of the most desirable qualities of the ranch is the dependability for income. If one fruit fails, there are two other good dependencies

Last year was an example. Prunes failed, but notwithstanding the cherries and logans alone made \$5400 income

Now all three promise abundant crops, and with the increase of 3 and 4 cents on Cherries, and loganberries, and 20 acres of prunes, figure for yourself, the possibilities, practically one-third of all crops, and the full equipment for the running of the place, goes to the buyer if taken within ten days.

There is a fair house, a barn, a fruit warehouse and a good dryer and other buildings on the place.

CAN YOU BEAT IT?

Then on top of all that, there is 13 acres of "beginning to bear" apples and walnuts, yet to be heard from.

The site is fine, location good, 20 minutes from Salem, auto roads hard surface and rock all the way; finest of water. This place is offered a very limited time, and first payment must be large, 6 per cent on balance

We conclude by saying again with emphasis that while it lasts this is one of the

Very Biggest Bargains, Ever our
Chance to offer. Don't Miss It, if
You can Handle it!

BIG SENSATION IS GYPSY TOUR

Hill Climbing Evcnt, Sand Races, Picnic Promised by Peppy Club Boys

On Saturday and Sunday, June 19 and 20, Salem will be the host to about 500 motorcycle enthusiasts when the majority of the members of the motorcycle clubs in western Oregon will come to Salem for the annual kypsy tour.

The Salem Motorcycle club, which was organized March 19 of this year, is responsible for the tour being held in this city and they intend to show the visitors exactly what a good time means. The committee on entertainment is lining up a good card of sports and entertainment, one of which will be a hill climbing race to be held on the afternoon of June 19, and the course will be over the hill on the Turner road, about a half mile past the state training school for boys.

There will be a camp fire Saturday night and a general gypsy jubilee and later a dance at Auburn hall for all those who enjoy that amusement.

Sunday there will be a picnic at which there will be sand races, broad jumps on motorcycles, egg races, a side car event, tug of war and women's race.

The picnic grounds have not been decided on as yet but the boys say they will secure a nearby grove for the occasion. A parade will also be the big feature of the tour. With every one taking part there should be between 300 and 400 motorcycles in line.

The Salem Motorcycle club showed a world of pep when it secured this tour for Salem and promises to stage many more events in the future. The officers of the club are: R. J. Smith, president; H. S. Walker, secretary; George Frye, treasurer and H. T. Smith, road captain.
