The International 8|16 two-plow tractor and the Titan 10| three-plow tractor are manufactured by the International Harvester Company, who are pioneer manufacturers of tractors, and both of these machines have absolutely made good wherever sold. These tractors are represented not only by an established business firm in this locality, but the manufacturer has a large branch house at Portland, which insures satisfactory service in every way.

The present price of the 8 16 tractor is \$1143.00, and of the 10/20, \$1360.60. Several months ago we placed our order for these tractors and were fortunate in getting a few of them before the advance of \$100.00 on each machine was made. We are going to give, this \$100,00 to the purchaser of any one of these tractors which were purchased under the old price, but we only have a few of them left and therefore you should avail yourselves of this op-

Why not consider one of these tractors before you buy? Call and let us explain the special deal we have for you, as it will be of interest and profit to you.
