PEOPLE ASKED TO ENTERTAIN

Governor Urges Universal Cooperation in Making Shriners Welcome

Oregon people are called upon, in a letter from the office of Governor Olcott yesterday, to co-operate next week for the entertainment of the Shriners who are to gather from all parts of the nation for the imperial convocation in Portland.

Governor Olcott's letter, addressed to the people of Oregon, follows: "Next week, from June 21 to 26 inclusive, Oregon is to entertain the members of the Ancient Arabic order Nobles of the Mystic Shrine. These men and their wives will come from every corner of the nation. It will be a gala week for Portland and for all Oregon. This 46th annual session of the imperial council will be one of the greatest events in the history of the order, as well as in the history of the state. Thousands of visitors will come to the Pacific coast, their eyes turned toward the state which is rapidly becoming known as the fairland of the west. It is due to the visitors, as well as to the name of our state that they be given greeting and entertainment such as they have received in no other city which may have been the mecca of their past pilgrimages.

"For that reason I call upon the people of Oregon to join in making the visit of the Shriners an unparalleled success and in making the Rose festival, an incident of Shriners' week, the most magnificent festival of its kind in history.

"Let us supplement our scenic wonders and climatic glories with the best of Oregon hospitality. In the great week that lies just ahead it behooves every citizen of Oregon to join in making this event one without parallel in our annals, and I am sure a ready response will come from every county, every city, every village and from every family and home."

IT IS WHAT YOU CAN DO THAT COUNTS

When a young man or young woman is looking for work these days, they are asked what they can do.

Special training is needful and essential. Chance or luck has little to do with one's success.

Most of the men at the head of large establishments have been promoted step by step, after having had a thorough preparation to begin.

Here should be a lesson for ambitious young people.
