

## STUDENTS GAIN ADMITTANCE TO NEW FRATERNITY

Honors for Year Announced at Willamette Commencement Exercises

MANY PRIZES AWARDED

R. A. Booth of Eugene Presents Loan Fund to Oregon Institutions

In response to recommendation of the Willamette university faculty, an honorary fraternity, the Alpha Kappa Nu, was organized during the past year. Announcements of elections to the fraternity, as well as of other scholarships, were made at the commencement exercises held at the First Methodist church yesterday.

Prerequisites for membership in the fraternity must be a studious devotion to learning of the mind and heart, as well as a high moral character. It is a merited recognition of the student's scholastic work in the university. Elections to the fraternity are made each year from the outgoing graduates.

Honor Students Named.

By the vote of the faculty the following were honored this year: Grace C. Hagley, Salem; Velma M. Baker, Hartline, Wash.; Freda L. Campbell, Salem; John Francis Cramer, La

Grande; Paul H. Doney, Salem; Mary E. Findley, Salem; Dorothy O. Savage, Salem; and Genevieve L. Yarnke, Salem.

Each year senior scholarships are awarded to undergraduate students, rewarding them for their high scholastic work for the year. They are considered the right-hand students of the faculty in the particular department making the award.

Ina Moore of Seaside received a scholarship in Latin, and Charlotte Croisan won the French scholarship. The senior scholarship in chemistry was awarded to Paul Day of Bremerton. Mathematics senior scholarship was awarded to Glyde Ausman of Lebanon. William Sherwood of Salem won the scholarship in biology. The scholarship in philosophy was won by Raymond Atterbury of Everett, Wash. Helen Satchwell of Shedd won the historical scholarship.

Prizes and scholarships awarded by the friends of the university were also announced.

**Keys Award Made.**  
The W. E. Keyes prize for oratory was awarded to Paul G. Wapato of Okanogan, Wash. The B. L. Steeves prize for debate, consisting of first and second awards, was won by Bernard Ramsey of Prineville, and Sheldon Sackett of Sheridan. The Albert prize, awarded to the student having the greatest influence upon the student body, through character and faithful study, although not necessarily having a high average in studies, was this year awarded to Fred McGrew of Falls City, Idaho.

Prizes offered by the university in forensics were won by the following students: Paul G. Wapato, Bernard Ramsey, Howard George, Frank Bennett, Sheldon Sackett, Ina Moore, Helen Hoover, Lorlei Blatchford and Myrtle Mason.

An announcement made by Pres-

ident Campbell of Oregon university that R. A. Booth of Eugene has made a gift of \$25,000 to be used as a student loan fund in all educational institutions of the state of Oregon, concluded the program.

This fund will be in the hands of trustees appointed by R. A. Booth and students desiring aid for the completion of their course will apply to the trustees of the fund. This fund will no doubt prove to be of great aid to indigent students who would otherwise be compelled to leave college for lack of funds.

## Friends' Church Brings Successful Meet to Close

William Kirby, pastor of the Friends' church of Des Moines, Iowa, will address the South Salem Friends' church tonight, while Mr. Reece, a missionary from Africa, will speak tomorrow night. ## STUDENT ROW ENDS IN DEATH AT DARTMOUTH

Argument Over Whiskey Causes Shooting of College Senior

MURDERER IS IN JAIL

Boys Try to Escape With Liquor—Owner Later Finds Property and Kills

HANOVER, N. H., June 16.—A student quarrel over whiskey early today resulted in the killing of Henry E. Maroney of Medford, Mass., a senior at Dartmouth college, and the arrest of Robert T. Meads of La Grange, Ill., a junior, charged with the murder.

Meads fled after the shooting, which occurred at Maroney's rooms in the Theta Delta Chi fraternity house. While a posse of students was searching for him, he walked 12 miles to Mascota station and boarded a train for Boston. He was captured on the train by Sheriff Claude M. Murray, who took from him an automatic pistol and obtained a confession in which Meads claimed he fired in self defense.

When arraigned here before Judge Harry L. Burton, Meads waived extradition and was held without bail for the September grand jury. He was taken to the county jail at Woodville. He announced that his defense would be directed by his father, A. H. Meads of Chicago, who is an attorney.

Meads' claim that he acted in defense of his life was not supported by details given by others. Early statements to the college authorities that a visit to Meads' room early this morning by Maroney and other students had no connection with liquor, were disputed by subsequent statements.

Harold W. Whittaker of Somersville, Mass., Maroney's roommate, told County Solicitor John H. Newton that he and Maroney went to Meads' room to purchase a quart of whiskey. He agreed to sell them a pint, and he had gone to get it. Whittaker said, when Maroney picked up a partly filled quart bottle, passed it to Whittaker and told him to take it away.

Whittaker jumped from the window to the ground, 12 feet below, and as Maroney followed, Meads fired three shots after them. Neither of the men were hit, and they con-

sidered it was an attempt to frigate them.

Maroney and Whittaker then went to their rooms at the fraternity house and prepared to go to bed. They had not touched the liquor, he said.

Shortly after Meads entered their rooms, Maroney was in the bathroom. Meads sat down at Maroney's desk. When Maroney came out of the bathroom, according to Whittaker's story, he approached Meads. Meads reached across the desk, pressed his pistol against Maroney's side and fired. No word was exchanged between the men, Whittaker said. Maroney died almost instantly, shot through the heart.

Meads ordered Whittaker, the latter told the officials, to "get out of here or I'll do the same to you." As Whittaker started to leave by one door Meads backed out of another, covering his retreat with his pistol.

## Simple Way To End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

that the Richmond Improvement club decided to take up the matter in a general way with a view to securing better sidewalk conditions before the next winter season. As the subject is one of especial importance to all residents of that portion of the city a large attendance is expected at the meeting.

The Richmond Improvement club is one of the civic organizations that has worked along quietly with a purpose in view, that purpose being to improve home and surrounding conditions and to lend its influence to all worthy movements affecting the general welfare of the city of Salem. The members have joined hands with an unselfish spirit, devoting their efforts along lines only of importance to the community as a whole. The membership is composed of substantial citizens and taxpayers and has steadily increased in members from the time the organization was perfected in the fall of 1919.

In addition to its business sessions the club provides social entertainment to the members in the way of musical and literary program and frequently prominent speakers are invited to address the meetings.
