Eugene D. Miller, secretary and

treasurer of the Pershing Square group of hotels, tells this one. He was in the Hiltmore when his telephone rang and a guest asked for a nightcap.
"It's not for me, my wife wants it," he said.
"I'm sorry, sir; there's not a drop in the house," Miller replied.
"I don't mean what you mean," said the guest. "You are talking about a nightcap that goes TO the head. I mean the kind with ribbons and blue lace and all that sort of thing, that goes ON the head."

As the oats in her hat nodded and trembled they persistently tickled the ear of the man seated next to her. He stood it in silence for some time, then he ostentatiously took a huge pocket-knife out of his pocket and began to sharpen it on the sole of his boot.
"Whatever are you g-going to d-do?" cried the girl.
"Oh, don't you worry, Miss!" said the man, testing the edge of the blade on his thumb. "But the next time as them oats gets in my ear, there's going to be a harvest."—Pittsburgh Dispatch.

Doctor Tells How to Detect Harmful Effects of Tobacco

Try These SIMPLE TESTS

New York: Doctor Connor, formerly of Johns Hopkins hospital, says: Many men who smoke, chew or snuff incessantly and who are seemingly healthy are suffering from progressive organic ailments. Thousands of them would never have been afflicted had it not been for the use of tobacco, and thousands would soon get well if they would only stop the use of tobacco. The chief habit forming principle of tobacco is nicotine, a deadly poison which, when absorbed by the system, slowly affects the nerves, membranes, tissues and vital organs of the body. The harmful effect of tobacco varies and depends on circumstances. One will be afflicted with general debility, others with catarrh of the throat, indigestion, constipation, extreme nervousness, sleeplessness, loss of memory, lack of will power, mental confusion, etc. Other ailments which may be caused are: bronchial trouble, hardening of the arteries, tuberculosis, blindness or even death. Note—When asked about Nicotol tablets, one of our leading druggists said: "It is truly a wonderful remedy for the tobacco habit; away ahead of anything we have ever sold before. We are authorized by the manufacturers to refund the money to every dissatisfied customer, and we would not permit the use of our name unless the remedy possessed unusual merit." Nicotol tablets are sold in this city under an iron-clad money-back guarantee by all up-to-date druggists, including D. J. Fry.
