By RUTH LENORE FISHER.

ALMOST everyone has gone to Portland or is planning to some time during the week for the Shrine conclave and the Rose show which have attracted thousands of visitors to Portland. Thursday the Cherrians are going down and a bevy of pretty maids will go along to participate in the Cherrian representations. Last year the Cherrians carried off the prize for the best float, representing civic organizations, and they are in line this year for the same honor, vying with the largest cities of the northwest.

Tomorrow hundreds of Shrine-ers will be the guests of Salem for luncheon and for a ride about the city and to state institutions.

In both the Portland Oregonian and the Oregon Journal for Sunday appeared very attractive pictures of **NEW HAIR after BALDNESS**. TOBACCO HABIT DANGEROUS

says Doctor Connor, formerly of Johns Hopkins hospital: Thousands of men suffering from fatal diseases would be in perfect health today were it not for the deadly drug Nicotine. Stop the habit now before it's too late. It's a simple process to rid yourself of the tobacco habit in any form. Just go to any up-to-date drug store and get some Nicotol tablets; take them as directed and in the pernicious habit quickly vanishes. Druggists refund the money if they fail. Be sure to read large and interesting announcement by Doctor Connor soon to appear in this paper. It tells of the danger of nicotine poisoning and how to avoid it. In the meantime try Nicotol tablets; you will be surprised at the result.

SEATTLE PEOPLE PRAISE PARK

Many Tourists Spread News of Salem's New Camping Site

That the modern free city camping grounds has received good publicity is attested to by some campers who were in the city Sunday from Seattle. When they first heard about the many good features of the local grounds they say, they could not be easily led to believe it. They thought what they had heard was the harping of some eager real estate man.

However, after making the trip here from Seattle in one day to find, at the end of their journey, a fulfillment of what they heard in Seattle, they were loud in their praises of the park. They said they, too, were going to be disciples of the good camp and spread the news on their journeys.

Campers who registered at the grounds yesterday say, according to the superintendent, they came to Salem to camp rather than pass the night in Portland because Salem had the better accommodations. They left this morning for Portland to spend the day.
