

District Committee Is Elected by Association

The Salem district of the Oregon Growers Co-operative association yesterday elected the district committee at a meeting at the Commercial club rooms.

J. R. Chapman, C. H. Taylor, Gordon E. Tower, J. P. Aspinwall and

E. E. Evans were elected to serve on that committee for the coming term. Much interest was manifested in the meeting by the members, 120 of them present.

The meeting was called to elect the Salem district committee, to get the growers into closer touch with each other and to discuss plans for the coming season.

The meeting was addressed by C. I. Lewis and by F. E. Evans.

In last night's game at Sweetland field the fast state house team humbled the Spaulding Loggers with an 8 to 1 score. The State Housers were there with their usual pep and then some and started proving who was who in the first canto by putting over four runs, adding two in the next and two more in the fourth for a total of eight. The Loggers got their only run as a present in the third when Cox walked, went third on an overthrow to second and came home on a wild pitch.

Webb of the State Housers pitched A-1 ball, whiffing seven and allowing but three free passes, while Jarvis of the Loggers couldn't get his sights adjusted, retiring only three by the strike-out route and walking nine State Housers. Both pitchers had practically errorless playing behind them.

Loggers Field Well.

The Loggers started in their outfield, handling five chances in big league style, while Knickerbocker and Hayes threw the strongest light for the State House team, the former picking two singles and a double and crossing the plate for three of the State House tallies. Hayes slammed out a two bagger and a long sacrifice fly, bringing in several runs. Jack also made a neat running catch of a hard foul fly.

The game was featured by tight playing in the field by both clubs, but one lone error being charged. The State Housers ran wild on the sacks, piling up a total of 16 piffler bases. Johnny Humphreys wore the umpires togs and looked 'em over in his usual faultless style. A small bunch of wild-eyed fans who held down third base line did a lot of crabbing at the "umps" but nobody heard their ravings.

State Housers Advance.

As a result of this game the State Housers move up into second position and the Loggers were thrust back into third notch. Next week and the one following will be devoted to the playing off of tied and postponed games of which there are many, and some warm battles are in the cards.

Names of Shriners Are Wanted at Club Office

The local Commercial Club is very desirous that car drivers who brought Shriners to Salem on the trip last Wednesday turn in the names of their passengers to the

manager of the club so that the names may be placed on file and literature may be sent the visitors in the future.

Salem citizens feel that this trip was one of the most successful boosting events attempted by the city as the guests expressed themselves as being more than pleased.

Makes Wrinkles Go "As If By Magic"

Want to banish every wrinkle—from face, neck, hands—easily, quickly, completely? Try the famous saxolite formula. Nothing else so nearly meets every requirement. Why? Because it is correct in principle and really, truly assists Nature. Possessing remarkable astringent and tonic properties, it both tightens the skin—thus naturally smoothing out the lines—and improves capillary circulation and nerve tone—tending to strengthen loose tissue and bring about a healthy condition. Yet, powerful as the saxolite lotion is, it won't harm your skin in the least. And it's so easy to get the simple ingredients at your druggist's, and so easy to mix them.

Just dissolve one ounce of pure powdered saxolite in one-half pint of witch hazel—that's all. Bathe your face in this—immediately every wrinkle and crease are affected, even the deepest. You are perfectly astonished, and delighted with the result. You look like you've lost years from your age!
