Accounting Bill Filed Against Hayes Company

CHICAGO, June 25.—A bill for an accounting was filed in circuit court today by W. C. Matthias and 15 other stockholders and creditors of the bankrupt Daniel Hayes company, a land stock organization.

The bill declared the defendants, Daniel Hayes, Jr., E. C. Seliman, C. S. Gross, Walter S. Bond, directors of the company, and others solicited the plaintiffs by means of "false, misleading and deceitful representation as to their business."

The plaintiffs alleged they purchased stock for which they paid approximately \$19,000.

According to the bill the concern represented that it owned 108,000 acres of land in Joaquin valley, California. About 7000 acres of land were sold, the bill stated, to which "the company did not even have a colorable title."

The company was organized in 1915 under the laws of Idaho.
