**Polk Legion Proposes to Hold Old-Time Picnic**

DALLAS, Or., July 2.—(Special to The Statesman.)—Plans that were being formulated by the Carl B. Fenton post of the American legion for a big picnic and celebration in Dallas next Monday have been dropped on account of the lack of interest in the movement of the local people, the reason for the same being that most of the citizens are planning to either make a trip to the beach resorts on that day or are going to some other locality to celebrate.

No other town in Polk county is going to celebrate the year, but Sheridan, just over the line in Yamhill county, is planning a big three-day celebration, and most of the Dallas people will go there to participate in the festivities.

## OREGON WILD IS TEACHERS GOAL

**Professor and Mrs. Morton E. Peck Start on Trip to Klamath County**

Following their usual custom during the vacation months, Professor and Mrs. Morton E. Peck have left for the Oregon wilds on a biological and botanical research work. They plan to study the flora in the Klamath region and in the northern part of California. They will be gone during the entire vacation.

Every summer since he came to the Willamette university Professor Peck and his wife have spent their vacation in the wilds of Oregon gathering biological and botanical specimens. In connection with this work he has collected and classified specimens heretofore unknown to scientists and peculiar to Oregon. He has been engaged for years in making a complete collection of the flora of Oregon. He made the southern trip in an automobile. It is rumored that while at Eugene an inducement was extended to him from the University of Oregon to teach the biology department at that institution. He is recognized in educational circles as an authority in biology and botany.

## RING FANS AGOG AS FIGHTS NEAR

**Three Boxing Matches to Mark State Convention of Elks Here This Month**

Three boxing contests, in which will participate some of the best known ring artists in the Pacific Northwest, will be among the feature numbers on the program arranged for the annual convention of the state association of Elks which will be held on July 22, 23 and 24. These matches will be held in the new stadium at the fairgrounds, and will be under the direction of a commission to be named by the mayor of Salem. The stadium is now undergoing a complete overhauling and seats will be arranged for more than 6000 spectators. Frank Durbin, and John Delano have been named by the local lodge of Elks to secure the boxers, and they have reported success. Estimates received from the various Elk lodges throughout the state indicate that not less than 8000 of the antlered herd will be on hand to participate in the convention program. A special train will carry the Portland delegation to Salem, while the McMinnville lodge will send 400 members by private conveyances. The housing committee is working hard to assemble enough rooms to accommodate the visitors, and nothing will be left undone to make the convention a great success. Besides the boxing matches the program will include parades, dances, banquets, receptions, business meetings, inspection of the state institutions and many other entertainment features.

Langer had 45,939 and Frazier 41,493 votes.

## CAMPERS FLOCK TO CHERRY CITY

### Fifty-two Tourists from All Sections of Country Stay in City for Night

Fifty-two campers were yesterday registered at the Salem automobile camping grounds which registration surpasses all previous records at the grounds. The previous high record had been 48.

As confided to Mr. Albert, the grounds superintendent, O. Reed of Bell, Cal., a suburb of Los Angeles, Salem is to receive some publicity in movieland. Mr. Reed is a correspondent of a Los Angeles paper and he is, says Mr. Albert, going to send an article to his paper extolling the advantages and conveniences of the local camping grounds. Also, he will include in the letter to the Los Angeles paper an account of the hospitality of the Salem citizens who visited the camps during his stay here, and of the opportunities in and adjacent to Salem.

Mr. Reed's trip north has been full of adventure. While in the northern part of California, a few miles from the Oregon boundary, his sedan capized when making a sharp turn in the road. Fortunately no one was injured. The top of his sedan was damaged in the accident, and he is now making the trip in a topless sedan.

The campers yesterday evening made an exodus for the Willson park to share the enjoyment of the concert with the Salem people.

The following were registered at the camp yesterday:

G. B. Clark and Miss Alice D. Clark, Schurz, Nev.; Mr. and Mrs. J. C. Atkin, San Francisco; Mr. and Mrs. R. G. Slicker, Seattle; Mr. and Mrs. J. T. Tienlie, San Francisco; Mr. and Mrs. H. F. Munke, Fossil, Or.; Mr. and Mrs. J. H. Robinson, Opportunity, Wash.; Mr. and Mrs. S. Mish, Portland; Mr. and Mrs. C. Marsh, Missoula, Mont.; Mr. and Mrs. F. Surgeant, Portland; Mr. and Mrs. W. E. Johnstone, Boise, Idaho; Mr. and Mrs. H. H. Reid, San Diego; Mr. and Mrs. F. W. Reid, San Diego; Mr. and Mrs. H. A. Miller, San Diego; Mr. and Mrs. G. Frank Baker, Hutchinson, Kan.; Mr. and Mrs. J. D. Nook, Hutchinson, Kan.; Mr. and Mrs. W. L. Mausel, Independence, Or.; Mr. and Mrs. M. E. Blythe, Phoenix, Ariz.; Mr. and Mrs. C. P. Marion, Plover, Wash.; C. L. Hoffman, Klamath Falls; R. E. McCauley, Klamath Falls; Dr. and Mrs. D. M. Grinnell, Yakima, Wash.

## DALLAS GROWERS LOOK FOR BIG PRUNE CROP

DALLAS, Or., July 2.—(Special.)—The outlook for a bumper prune crop in Polk county is better this year than it has been for a number of past seasons. The crop of the older orchards will be exceptionally large this year, many of the trees at the present time being overloaded and the branches breaking under the heavy weight of fruit. The crops on the five and six year old orchards is not so heavy as that of last year but the size to which the prunes are expected to grow under these conditions are expected to make up in weight for this shortage.

Prices of 16 cents per pound are said to have been offered growers in this locality but as yet few contracts have been made, the growers being of the opinion that a better price will be offered before harvest time.

Three large packing plants will handle the Polk county crops this year: The California Packing Corporation, The Mason-Ehrman company and the Oregon Fruit Growers association all having large packing plants in this city. The output in former years was handled by one company, the California Packing corporation being the pioneer industry in this city.

A number of additional prune dryers have been erected this year and several of the old dryers remodeled and enlarged to take care of the immense crops expected from the orchards.

The price of prune lands has advanced by leaps and bounds in this locality during the past two years, jumping in price from \$125 an acre to \$269 per acre for bearing orchards up to \$800, and few buys can be obtained at this figure.

**Langer's Majority Drops As Late Returns Arrive**

FARGO, N. D., July 1.—The majority of William Langer, independent Republican candidate for the gubernatorial nomination, over Governor Lynn J. Frazier, non partisan league candidate, was cut to 4,498 votes early tonight when 1,439 precincts out of 2,064, representing every county but Sioux, had reported complete unofficial returns from yesterday's primary election. Langer had 45,939 and Frazier 41,493 votes.

**Youth Instantly Killed During Electric Storm**

OMAHA, Neb., July 1.—Lightning killed John Benson, 19, as he was

standing in a barn near Crescent, Iowa, and injured a number of workmen in Omaha today during a heavy wind and electrical storm in this vicinity. Fremont, Neb., reported heavy damage to the crops.
