**Seven Negroes Injured
in Dennison Race Riots**
DENISON, Tex., July 5.—In a race
riot here last night, the outgrowth of
a dispute between a negro and a
white boy, seven negroes were beaten
and injured by mobs of 200 or more
white men and boys. The trouble
started over an argument at a base-
ball game. None were injured seri-
ously.

**Mexican Leaders Protest
Interference with Labor**
MEXICO CITY, July 5.—The Mex-
ican government is ready to protect the
interests of businessmen in the
country, whether they are Mexicans
or foreigners, but it will also see that
"the sacred rights of the workmen
are safeguarded." President de La
Huerta declares in an interview in
the Democrita today.

PORTLAND WINS IN FINAL ROUND

Kirkpatrick Takes Third Con-
test of Series from Senators
by Score of 5-3.

The last game of the 2-game series
between the Senators and the Kirk-
patrick of Portland was won by
the Portlanders yesterday afternoon
when they came out on the long end
of a 5 to 3 score. Salem led 3 to 2
until the eighth inning when the
Kirkpatrick gained the lead and held it
during the next inning.

The feature of the game was the
light hitting of both teams. Neither
team were able to register extra base
hits. The scores were made by
wobbly fielding and by the generos-
ity of the pitchers in issuing free
transportation to the batters. Craig,
who started in the box for Salem,
walked a man and hit two others
and then forced a score in the second
inning by walking a weak hitter in
Elkins. Another run was made in
the same inning when G. Lind singled
to left field.

At the outset it was obvious that
Craig was laboring in a square hole;
he had not the earmarks of a pitch-
er. He had no control and the op-
posing batters were waxing fat on
his delivery. Bishop gave him the
mitt in the second inning and Moh-
ler, the Vancouver pitching phenom
took reign on the slab. At times he
was erratic, making three wild
throws, hitting two batsmen and
walked two batters. He was able to
strike out some men when in a pinch.

Stewart, the stalwart third sacker
of the Senators and his teammate
Proctor performed the fielding fea-
tures of the day. Knippie
of the Kirkpatrick, hit a law
fly ball into his territory and
he made a running shoestring catch
and retired the batter. Proctor
fielded a hard hit ball in far right
field and retired the runner at first.
It necessitated a long run from sec-
ond base and quick fielding in order
to retire the runner by a scant mar-
gin. Both men received generous ap-
plause from the stands for their
splendid fielding. Incidentally the
largest crowd of the series was on
hand to witness the game.

On the whole the game was the
best of the series. The ultimate
outcome was in doubt until the last
man had been retired, because of
the keenness of the contest, the fans
and fanettes were in a mood to en-
courage all good plays. The crowd
was free from riotous expression of
its will.

HARDING TALKS TO OLD FRIENDS

Republican Candidate for
President Guest at Ma-
rion Celebration.

MARION, Ohio, July 5.—It was as
"dear friends and neighbors" that
United States Senator Warren G.
Harding, the republican presidential
candidate, spoke to the thousands of
Marion and other Ohio citizens who
today gathered about his home to
welcome his return.

In response to a welcome address
by D. R. Crissinger, president of the
Marion civic association, he told
them frankly that he liked their re-
joicing "over a more than usual
tribute to a fellow townsman."

"If it is becoming to assent to the
praise you bestow, let it be under-
stood that any preference ever shown
me is wholly and invariably due to the
consideration which I have willingly
shown to others, and to an inherited
conviction that it is a waste of God's
rich endowments to assail and de-
stroy when all the flowers of life
bloom best in the soil of sympathy
and encouragement," he said.

If the admonition of Mr. Crissinger,
himself a democrat, comes true,
Senator Harding will ride the demo-
cratic mule into the White House
next November. "I admonish you,
my fellow citizens," he said, "that he
will ride the democratic mule into the
White House in November as pres-
ident of the United States."

Following a recital of Senator
Harding's early life from barefoot
country lad, Mr. Crissinger declared
the senator is "neither too proud to
fight nor too proud to work," that he
is "no silk stocking" businessman
but a "real fellow, a man who thor-
oughly knows his business and does
it, and the printers' rule which he al-
ways carries is his rabbit foot."

But Senator Harding did not re-
ceive all the tribute. He was com-
pelled to share it about fifty-fifty
with Mrs. Harding in the welcoming
ceremonies. How she had shared in
the trials and triumphs of her hus-
band were related by Mr. Crissinger,
who asserted that her "tactful ways
will make her a favorite as the first
lady of the land."

"Let me say to you, friends and
neighbors," said the Republican
nominee, "if I believed in one-man
government, if I believed the super-
man was necessary to appeal to the
sober sense of the republic and ask
our people to plant their feet in se-
cure and forward paths once more,
I would not be here in the capacity
which has inspired your greeting."

"Let us pledge ourselves anew,
one and all, that this heritage han-
ded to us through the heroism of
sacrifices of the founding fathers
shall be held sacred, unbridged and
undimmed, and American national-
ity shall be the inspiration of the
myriads of the future, even as it
stirs our hearts today."

Partisanship took no part in to-
day's celebration, and both speakers
carefully avoided any reference to
politics. Mr. Crissinger in his speech
paid a tribute to Mrs. Harding in
connection with the success attained
by the senator, while Senator Hard-
ing, in concluding, introduced his
wife as a "faithful friend," who
knows my faults but has stuck by
me."

Mrs. Harding blushingly acknowl-
edged the tribute and bowed while
the crowd cheered.

MILTON TOPS IN HARD FOUGHT GO

Speed Averaging 95 Miles an
Hour by Driver During
Entire Distance.

TUCOMA, Wash., July 5.—Tommy
Milton, reeling off 225 miles in two
hours, 23 minutes and 28 seconds,
won the ninth annual speedway con-
test here this afternoon. He aver-
aged 95 miles an hour, the fastest
time yet made on the local track in a
race of more than 100 miles. He
won the \$10,000 first prize.
Mulford was second and the other
drivers finished in this order:
Hearne, Klein, Saries, Murphy,
Gaston Chevrolet and O'Donnell.
Chevrolet, winner of the Indian-
apolis race on Memorial day, had mo-
tor trouble. Ralph de Palma was the
victim of bad luck all day. His
French car was unable to start and
he started in the American car of
Eddie Miller but was forced to quit
on account of engine trouble. Du-
rant, Thomas and Boyer were also
forced out.

A crowd of 40,000 persons saw the
race, the sensational feature of which
was the contest between Milton and
Mulford. There was not an accident
to mar the day.

Grain Exchanges Plan Meeting in Chicago

CHICAGO, July 5.—A committee
representing the eight leading grain
exchanges of the country will meet
in Chicago tomorrow to formulate
plans for the re-opening of trading
in wheat futures. The committee's
recommendation will be presented to
an advisory body of 31, composed of
exchange representatives, millers,
bankers and wheat growers, which
will meet here Wednesday. The ex-
change committee recently recom-
mended that wheat trading be re-
opened July 15, with December de-
livery favored.

Aviator Killed When Plane Falls to Earth

SANTA ROSA, Cal., July 5.—Mark
Kitchen of Oakland, Cal., was killed

L. L. Honn, a commercial aviator,
were perhaps fatally injured today
when the airplane which Honn was
piloting crashed to the earth at Boyes
Springs, near Sonoma.

HOME IS BURNED; LOSS COMPLETE

Dwelling of Dave Silver Also
Destroyed—Partly Cov-
ered by Insurance.

Last night at about 8 o'clock the
home of E. Spaight burned to the
ground, suffering a total loss as the
house was not insured.

No one was in the house at the
time of the fire and the origin of the
fire is unknown. When the firemen
arrived on the scene the entire roof
of the building was a leaping mass
of flames, so it is probable that the
fire originated from a faulty flue.
The firemen report that the Spaight
home was a two-story wooden build-
ing and an ideal fire trap. The warm
weather had so dried the boards that
it burned rapidly.

The home of Dave Silver on Ox-
ford and South Twenty-first street,
burned to the ground last Sunday
afternoon at 12:15 o'clock. He said
that he will be able to recover about
\$700 insurance for some furniture
was saved from the fire.

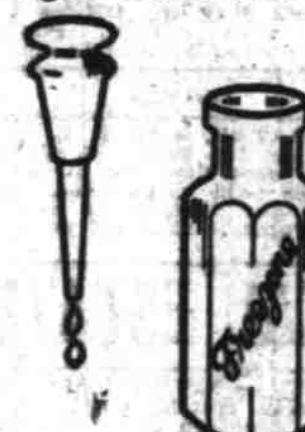

When the firemen arrived on the
scene of the fire they discovered a
little boy lying asleep under a tree
about 50 feet from the fire. The lit-
tle lad was not aware that his home
was being consumed by a fire. The
origin of the fire is unknown. Out-
side of a few pieces of furniture, the
house and contents is a total loss.
