CHAUTAUQUA TO BE BIG FEATURE

Many Liberal Salem People Aid Financially in Making Event a Success.

The Ellison-White chautauqua will be held this year during the week beginning July 18 at the usual place.

Arrangements have been made by which the tickets will be placed on sale at the Hartman Bros. jewelry store, beginning next Thursday, July 8. It is at this store that all those who subscribed for tickets last year are asked to call and secure them this week. No personal calls will be made upon those who subscribed as it is understood all will take up their pledges without any solicitation.

The chautauqua season tickets this year will sell the same as one year ago. That is, for adults, $2.75, students, $1.65 and children $1.10. These prices include all war tax.

The pledges which were signed were not only anxious that the chatauqua should come here, but that they would buy a number of season tickets as specified.

The following is a list of names of those who have signed pledge agreements, and these are all asked to go to the Hartman Bros. store and take up their tickets.

Forest Fires Threaten Damage in Washington

SEATTLE, Wash., July 6.—Forest firest in the vicinity of Chelsea and Redmond, Wash., which yesterday destroyed timber valued at $100,000 and for a time threatened to spread to the towns, were reported under control early today. Aided by a battalion from the Seattle fire department, 200 volunteers succeeded in checking the flames with back fires.

Grand Jury Returns Not True Bill in Crawford Case

HOOD RIVER, Ore., July 6. — A grand jury today returned a not true bill in the case of R. Clay Crawford, former instructor of athletics at the Hood River high school, who was recently arrested in Minneapolis and returned here on a charge of securing money under false pretenses from W. R. Bailey, principal of the school.

HARDING WIRES COX AT DAYTON

Republican Nominee for President Glad Opponent is Resident of Ohio.

Marion, O., July 6.—Senator Harding, the Republican presidential nominee in a statement today said Governor Cox deserved the Democratic presidential nomination but added that his selection would not change the Republican campaign plans in Ohio in any way.

The statement was given out by the senator today after he had learned through newspaper correspondents of the governor's selection. The senator at the same time also sent Governor Cox a telegram congratulating him on his success. It was not given out here.

"Governor Cox' nomination" Senator Harding said "is an added consideration shown to our great state of Ohio for which I am glad, and gives reasonable assurance that finally a newspaperman is to be made the nation's chief executive. Ohio has accorded Governor Cox very unusual distinction and he deserved his notable victory at San Francisco. His nomination will not change our activities in any way in Ohio. It is a great party contest before us, to be fought on great principles involved and neither place of residence nor personality will have any marked influence on the result."

During the next few days Senator Harding plans to devote much of his time to actual preparation of his speech of acceptance. Ever since his nomination he has been accumulating material and now has it in such shape that he needs only to put his ideas on paper.

A one story temporary building is to be constructed immediately back of the senator's home to be used by the newspapermen as press rooms. George Christian, the senator's secretary, expects it to be completed in about three days.

Representatives of Grain Exchanges Make Plans

CHICAGO, July 6.—Plans for reopening trade in wheat futures on July 15 virtually were completed today at a meeting of a committee of 16 representing the eight leading grain exchanges of the country. An advisory committee of 31, composed of representatives of all wheat interests, was expected to approve the recommendations of the committee at a meeting here tomorrow.

Few changes were made in the committee plans decided upon several weeks ago which provide for trading in December delivery at the start. Should it be deemed advisable to trade in a delivery earlier than December, the proposal will be considered by the exchange committee.

Representatives at today's meeting said the various grain exchanges were preparing for a re-opening of the market after three years' suspension. Chicago exchange rules provide for delivery of a large number of grades, and other exchanges are planning to change their rules providing for the delivery of No. 3 grades of wheat on contract at a penalty of 5 cents. Minneapolis, Duluth and Kansas City have posted the proposed changes for adoption. Minneapolis will make its contract grade No. 1 northern spring wheat, with No. 2 northern deliverable at 2 cents less, and No. 3 at 7 cents under the No. 1, or 5 cents below the No. 2. Winter wheat is to be made deliverable on contracts at Minneapolis at 5 cents under spring, with the penalty for the other grades on the same basis.
