

CENSUS AWARD WON BY WOMAN

Miss Mary Lebold Fixes Population of Salem Few More Than Count.

The winner of the \$25, offered by Charles W. Niemeyer, Salem real estate broker, to the person who estimated nearest to the population of Salem in the latest census is Miss Mary Lebold, 1544 Chemeketa street, Salem.

Her guess was 17,685. The official total being 17,679. Miss Lebold estimating within only six. The next nearest estimate was that of H. H. Jewett, 1206 North Sixteenth street, with 17,689, or ten too many. Miss Leon Delaplain, 969 South Thirteenth street, guessed 17,694, or 15 too many. Other near estimates were those of Mrs. H. E. Armstrong, 2446 Hazel avenue, with 17,538; Charles A. Kibbe, 695 South Commercial street, with 17,350; Mrs. T. G. Caplinger, route 3, Salem, with

17,345; Mrs. J. A. Rise, 960 Center street, and Mrs. Clara Minard, route 3, each guessed 17,777, and Miss Lillie Feller, 434 South Cottage street, estimated 17,791. But the hardest luck was in the guess of Miss A. M. Luthy, 1497 South Thirteenth street. She had the correct figures, only they were not in the right order. Miss Luthy estimated 17,976—it was 17,679, actually.

A striking feature of the estimates was the optimistic figures given. Out of more than 3000 guesses submitted, fully 90 per cent were over 18,000. One real optimist, Mrs. E. J. Marshall, 1600 Wilbur street, believed Salem to be a city of 37,467. On the other hand, one gloomy old man could do no better than make a bid at 14,444. No less than 22 persons sent in the figures 19,999.

If Miss Lebold will call at Mr. Niemeyer's office in the Masonic temple she will receive a check for the \$25.

You Can't Brush or Wash Out Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.
