ROADS REPORTED GOOD.

DALLAS, Or., July 10.—(Special to The Statesman.)—The highways leading to the coast in this county are better than they have been for many years and people traveling to the beaches this week reported that they made record time in reaching their destination. The road to Newport is exceptionally good in all but a few short stretches, while the road to the Tillamook county beaches is such that the time between Dallas and Pacific City can be made in three hours. This is possible by the construction of the new road through the Grand Ronde Indian reservation which has been one of the worst pieces of roadway in the state until this season. It has all been macadamized and is in excellent condition.

Goltra Must Relate Where Money Came from

ST. LOUIS, Mo., July 10.—Further investigation into the pre-convention campaign expenditures of Attorney General A. Mitchell Palmer probably will not be conducted by the senate investigating committee for at least three weeks, Senator James Reed said tonight after the committee had finished its two-days session here and adjourned, subject to the call of Chairman Kenyon.

The committee expects to meet here again at some future date to question Edward Goltra, Democratic national committeeman from Missouri, charged with having distributed $150 checks to St. Louis delegates to the state convention to find out whether it was money raised by him or was supplied by some candidate.

World's Cinder Path Dash Record Equalled on Turf

NEW YORK, July 10.—The world's record of 10 3-5 seconds for the 100 metre dash was equalled here today by Charles Paddock of the University of California in competition with a field of noted sprinters, at a meet of the 106th Infantry post, American legion. Unlike D. F. Lippincott. an American runner, who set the record in 1912 on cinder track, Paddock's performance was on the turf.b

Hohenzollern Fortune Not to Be Confiscated

BERLIN. July 10.—The judicial committee of the Prussian diet today rejected a motion presented by the independent socialists, providing for state confiscation of the fortune of the Hohenzollern family in Germany. The value of the fortune is estimated at between 250,000,000 and $300,000,000 marks.
