Many of the smart set and all devotees of tennis will gather at the Asylum tennis court this afternoon which is especially the women's day at the tournament. Miss Irene Campbell of Portland, state champion for women's singles, and Miss Agnes McBride, also of Portland, a tennis player of real experience will be here as well as other Portland tennis players to participate in tomorrow's matches. Miss Campbell will play Miss Mary Hendley, the local champion, and Miss Marjory Kay, University of Oregon star player. In the afternoon will be a festive time for the society set as well as the lovers of the game of tennis.

To Ward Off Summer Complexion Ills

To keep the face smooth, white and beautiful all summer, there's nothing quite so good as ordinary mercolized wax. Discolored or freckled skin, so common at this season, is gradually absorbed by the wax and replaced by the newer, fresher skin beneath. The face exhibits no trace of the wax, which is applied at bedtime and washed off mornings. Greasy creams, powders and rouges on the other hand, are apt to appear more conspicuous than usual these days of excessive perspiration. Just get an ounce of mercolized wax and druggists and use it like cold cream. This will help any skin at once and in a week or so the complexion will look remarkably clear, young and healthy.

TODD RETURNS FROM SESSION

Rotary Clubs of Nation Plan Program of Aggressive Americanism

John W. Todd returned Sunday from his Atlantic City as a delegate to the national Rotary club convention held in that city several weeks ago. He said there were 7300 delegates at the convention. "The Rotary club," said Mr. Todd in referring to the convention "has taken a stand for true Americanism and its perpetuation. Matters of vital importance to employers and employees are to be given greater consideration than ever before. Means are to be promulgated that will carry messages of Americanism to every corner where there may be a doubt or where pernicious teachings exist. The Rotary clubs have taken action to go at the root of the present critical industrial situation and probe its cause and administer a remedy for its cure. We also hope to align other organizations to fall in and extend our firing line so that before long every city and every camp will be made blistering hot for any 'red' who shows his head."

Report to Be Made
Mr. Todd stated that a full report of his observations at the convention will be given at the Rotary club meeting tonight. Other reports of interest to the members will be submitted at that time.

Much interesting entertainment marked Mr. Todd's itinerary to the Atlantic coast. When he left Salem he was routed by way of Denver where he was a guest at a Rotary club meeting in that city. He said the Portland and California delegations joined the Denver Rotary men and left in a special train from here to Kansas City. They spent a day at Kansas City as guests of the Rotary men. The Kansas City delegates to the convention joined them when they left for St. Louis. They were royally entertained, he said, by the Rotary club of St. Louis while they were in that city. Other entertainments were provided at Pittsburgh, Washington and Philadelphia by the Rotary clubs of those cities.

Hudson is Toured
After the convention, Mr. Todd said, about 2500 delegates left for New York where they were entertained as guests of the club in the metropolis. The Rotary club of New York provided a trip up the Hudson for its guests. Later the guests of New York visited Niagara Falls. Here the Rotary delegates dispersed. Mr. Todd visited Chicago on his return home by way of Salt Lake City where he attended the National Educational Association convention. He was on the program at the educational gathering as one of its speakers. The convention at Salt Lake was a week in duration.

State Treasurer Expects to Invest in More Bonds

O. P. Hoff, state treasurer, has informed Attorney General Brown that he contemplates investing funds of the state in \$60,000 of Klamath county road bonds and \$20,000 of Heppner water bonds. He has asked the attorney general to examine the proceedings attendant upon the two issues and advise him as to their legality.

OREGON ROADS ASK INCREASE

Application for High Freight Rates Filed With Service Commission

Supplemental application for interstate freight rate increases has been filed with the public service commission by the Southern Pacific company, the Oregon-Washington Railroad & Navigation company, the Oregon Short line, the Spokane, Portland & Seattle, the Oregon Trunk, the Oregon Electric, the United Railways, the Nevada, California & Oregon and the Northern Pacific Terminal company. While the application is supplemental to the general applications for freight rate increases from virtually all roads in the country now pending before the interstate commerce commission, it is not believed that the state commission's consideration of the intrastate application will be a mere matter of form, but that the question of intrastate rates can be passed on entirely independent of the interstate question. The general application has been heard by the interstate body and a decision. It is the desire of the Oregon roads that the order of the state commission become part of the same record with the interstate case, and a request for an early hearing is expected.

SCOTT'S MILLS NEWS

SCOTT'S MILLS, Or., July 20.—Mr. and Mrs. J. B. Fisher who have been touring southern Oregon, returned home Monday.

Mr. and Mrs. George Haynes went to Portland Thursday where they will visit friends for a few days. Born to Mr. and Mrs. Herman Landwing, at the Silverton hospital Wednesday, July 14, a son, who

TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

has been named Clarence Allan. E. Giger, Floyd Sheppard and Glenn Shepherd were in Portland Tuesday on business. Mr. and Mrs. A. L. Deaton of Portland visited Mr. and Mrs. J. B. Fisher recently. Born to Mr. and Mrs. Henry

Platt, in Scott's Mills, Wednesday July 14, a son, who has been named James Henry. Guy Seryon went to Portland on a business trip. Frank Wilson was in Mt. Angel Friday on business. Word has been received from the

Misses Frances and Pauline Semoike of their safe arrival in Alaska July 6. They expect to spend the summer there. Miss Nell Kinser, who has been visiting relatives and friends in Salem for two weeks, returned home Tuesday.
