There is eight acres of logans on this place . If you can show me any place in Marion county its equal I will buy you a \$10 hat. They have averaged 4 1/2 tons for six years. The estimate for next year is six tons. There will be 80,000 logan tips produced on the place for spring delivery at say \$50 per thousand, contracts assured. Now we will say that the place only produces 5 tons per acre-40 tons in all, and the price is only 8 cents—we will allow 2 cents for picking, leaving \$120 net, making \$4200 pina \$4000 for tipe, total \$8,200 income, leaving you 42 acres of just the same kind of land to make a living on and pay for the H C L. The price for all this is \$16.500 for just 14 days from the ninth of September, 1920. The place is one mile from paved road on a gravel road, 15 miles from Salem, north.
