very carefully. This place that is for sale consists of 50 acres, all cultivated, splendid barn and other buildings and an old house; woven wire fencing, cross fenced with same. Three horses, two cows, all the farm implements, chickens galore; all the implements, wagons, disc, binder, 503 bushels oats, 25 tons hay. Everything in fact. Now
LISTEN
There is eight acres of logans on this place. If you can show me any place in Marion county its equal I will buy you a $10 hat. They have averaged 4½ tons for six years. The estimate for next year is six tons. There will be 80,000 logan tips produced on the place for spring delivery at say $50 per thousand, contracts assured. Now we will say that the place only produces 5 tons per acre—40 tons in all, and the price is only 8 cents—we will allow 2 cents for picking, leaving $120 net, making $4200 plus $4000 for tips, total $8,200 income, leaving you 42 acres of just the same kind of land to make a living on and pay for the H C L. The price for all this is $16,500 for just 14 days from the ninth of September, 1920. The place is one mile from paved road on a gravel road, 15 miles from Salem, north.
