By La Von Coppock

Mrs. Theo. M. Barr returned from Mt. Angel Sunday, where she motored with her son Henry Barr, who will attend the college there this winter.

Karl Barr has gone to Notre Dame, where he is in his second year.

Dr. and Mrs. B. L. Steeves have as their guests, Mr. and Mrs. George S. Gaston of Olympia, Wash. Mrs. Steeves is county assessor of Thurston county, Wash.

Mrs. Henry Harris, who leaves soon to spend the winter in California, was the guest of honor at an informal tea Monday, when her sister, Mrs. E. L. Alford, entertained about 20 matrons at her home on Fourteenth street. Varied asters were arranged about the rooms in brown wicker baskets, and bright-faced pansies in flat pottery supplemented the decorative idea. Mrs. Harris has been a guest at the home of her sister for a fortnight, coming from Seattle where she visited her parents.

Miss Antonetta Kuehnling of Cascade Locks is enjoying a fortnight's vacation at the home of her parents, Mr. and Mrs. Charles Kuehnling, on South Commercial street.

Mrs. Mable Hicks of Seattle is a guest of Mrs. E. G. Bealey, of South Fourteenth street for the week.

Mr. and Mrs. W. F. Powell had as their guest Sunday D. F. Logan of Walla Walla, Wash.

An interesting luncheon recently was that of the Salem district of the Oregon State Music Teachers' association at the Grey Belle, with Mr. and Mrs. A. L. Moore, Mr. and Mrs. Fred Goodrich of Portland, and Mrs. Ed-

ward Everett Anderson as honor guests. Mr. Goodrich spoke on the state organization, and the plans for the convention to be held in Salem in November. Mrs. Anderson discussed the artists she is bringing to Salem this winter.

Miss Margaret Brown of Portland is the guest of Mr. and Mrs. James William Dent, expecting to remain until October 1, when she will leave for Chicago where she will spend the winter.

Miss Bernice Craig had as her guest for the week-end Miss Wilma Dyers of Astoria, who stopped in Salem en route to Eugene where she will attend the University of Oregon during the winter. Miss Dyers and Miss Craig are members of the Oregon chapter of Gamma Phi Beta, women's fraternity.

Mrs. Eugene M. Cornell, who has been the house guest of Mr. and Mrs. Theo. M. Barr for the past week, returned to her home in Marshfield Sunday.

As their guests for the week Mr. and Mrs. W. F. Drager have their son Vern Drager and Forrest Singleton of Medford, who are in Salem to attend the state fair.

Mr. and Mrs. R. C. Goodwin and their little daughter, Miss Blanche, have returned from a fortnight's visit with Mrs. Goodwin's parents, Mr. and Mrs. J. J. Connor, in Seattle.

Mr. and Mrs. Edward Domogola and little daughter Jeanne of Astoria are guests for the week at the home of Mrs. Domogola's parents, Mr. and Mrs. Frank Davy.

Mr. and Mrs. Loren Geer and small daughter Francis were visitors with Salem friends last week.

Mr. and Mrs. L. P. Aldrich have returned from a pleasant trip to

California extending over several weeks.

Miss Corinne Abbott of Condon is visiting at the home of her grandparents, Mr. and Mrs. J. O. Abbott. Miss Abbott will be joined by her brother, George, Wednesday, and with him will return to Condon Friday.

The Hair-Destroying Curling Iron Passes

The heated iron makes the hair dry and parched looking, burns off the ends, giving a most unsightly appearance. You who have learned this from experience will be glad to hear of a very simple method which is open to none of the objections related to and which gives better results than the curling iron.

Just get a few ounces of plain liquid silimerine at your druggist, apply a little with a clean tooth brush before doing up the hair, drawing the brush down one strand at a time from root to tip. In three hours your hair will be as beautifully wavy and curly as though Mother Nature did it, and it will be quite manageable, no matter what style of coiffure you adopt. The effect will be much prettier than if you used a waving iron, will last much longer, and the health of your hair will not suffer. Silimerine is not sticky or greasy, but is quite pleasant to use.

SENATOR HARDING OUTLINES POLICIES (Continued from page 1)

answer the question and Senator Harding raised his hand for silence.

"I understand what prompted that question," said Senator Harding, "and I want to say that if I were in favor of one-man government in this republic, then, I should be able myself to answer your question. I don't know whether I should turn my attention from these things to address myself to you personally but if you will come to this platform I will divide my time with you to discuss this question."

A tumult in the auditorium followed, at which the heckler disappeared. Senator Harding went on with his address with this preface:

"I know Maryland would be the last place to which a presidential candidate would be sent with discourtesy. I do not want to interrupt the continuity of my discourse and with your consent I will proceed with my line of thought."

More cheers followed this declaration, but the senator's voice did not carry to the farthest corners of the great auditorium, and a hum of conversation and shuffling kept up. Vacant patches began to appear among the seats in the most distant galleries, and many of those who were standing filed out of the hall.

At the conclusion of the preface address the senator replied more at length to the heckler's question.

"I might have answered him more extensively," said the senator. "He wanted to know whether I promised to scrap the league. The one great failure to make the most of America's leadership in the world was due to the fact that one man attempted to speak, not only for America, but

for the remainder of the world as well. I shouldn't do that.

"I'm perfectly frank to say to you that I am without a single program constructive in character about an association of nations. I do know this one thing definitely, however, the Democratic nominee for president says he's in favor of going into the league as it was fashioned at Versailles. I'm not in favor of going into that league. When I'm elected president the first thing I'll do is to find a plan for an association of nations behind which all America will stand."

The senator also departed from his prepared manuscript in his reference to President Wilson's failure to abrogate certain commercial treaties under provisions of the new merchant marine act.

"If I were president," he said, "I would call congress together and tell them the reason which impelled me to fail to carry out the provisions of the legislation."

fill the vacancy. They will move to the farm October 1.

During the past 10 years Mr. and Mrs. Taylor have rendered most satisfactory service to the county in the manner in which they have cared for the inmates of the farm and conducted its business affairs. Regret is expressed by the county officials at losing them.

Owing to the crowded condition of the paper "The Revelations of a Wife," is omitted from this issue of the paper but will be continued tomorrow.

TOBACCO HABIT DANGEROUS

Says Doctor Connor, formerly of Johns Hopkins hospital, thousands of men suffering from fatal diseases would be in perfect health today were it not for the deadly drug nicotine. Stop the habit now before it's too late. It's a simple process to rid yourself of the tobacco habit in any form. Just go to any up-to-date drug store and get some Nicotol tablets take them as directed and in the pernicions habit quickly vanishes. Druggists refund the money if they fail. Be sure to read large and interesting announcement by Doctor Connor soon to appear in this paper. It tells of the danger of nicotine poisoning and how to avoid it. In the meantime try Nicotol tablets; you will be surprised at the result.

MAZOLA

Many cooks can't make a light cake rich or a rich cake light

USING too much shortening is the cause of most failures in baking.

Mazola gives richness and avoids soggy.

Because you use 1/4 to 1/3 less of Mazola for shortening than butter, lard or compounds.

This means more than economy. It means a rich cake—yet a light cake—easily

made with Mazola. Many an inexperienced housewife made her first successful pie crust when she tried Mazola.

Mazola is not an animal fat. It is a pure vegetable oil—from an edible source. It contains no moisture but is all fat—100%.

Once you try Mazola for making cakes and pie crusts you will never go back to butter, lard or compounds.

A Simple Way To Remove Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid parvion from any drug store (that is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.
