move the dend skin particles as fast as they appear. It's a secret anyone may possess. The aged, faded, or discolored surface skin may be gradually absorbed, in an entirely safe and rational manner, by the nightly application of ordinary mercolized wax. Within a week or two the underlying skin, youthful and beautiful to behold, has taken the place of the discarded cuticle. So little of the old skin is absorbed each day there's no inconvenience at all, and no one suspects Legs or Chops of Lamb, per pound......18c Lamb Stew, pound ... 10c Corned Beef.......15c skin is absorbed each day there's no in-convenience at all, and no one suspects you are putting anything on your face. The mercolized wax, procurable at any drug store (an ounce is sufficient), is ap-plied like cold cream. In the morning it is erased with soap and water. It's the best thing known for freckles, blackheads, pimples, moth patches, liver spots and fine surface winkles. Good Steak 221/2c
