Methodist Players Able to Keep Ball in Possession Most of Time

Willamette's historic old bell rang forth the notes of triumph late yesterday when it told the story of a football victory over Chemawa by a score of 14 to 6.

The 10-yard line and with an open field race for the second touchdown. Willamette's first touchdown came a few minutes after the whistle had called the second half when a spectacular run of 20 yards by Zeller and a line plunge by Rarey placed the pigskin across the goal line. Irvine added to the score by kicking goal twice.

Chemawa, after a freak pass and several line bucks took the ball over for a touchdown in the last minute of play. Downie missed goal.

Willamette retained the ball in its possession most of the time and when members of the back field were called upon, yardage was nearly always a certainty. The field was exceedingly slippery which aided fumbles and incomplete forward passes.

All members of the Bearcat squad proved themselves stars. Irvine guided his team in perfect order and in addition to making yardage made two 20-yard runs. Captain Rarey was a continuous ground gainer and in tackling a Chemawa back who was headed for the goal with an open field was slightly injured. Zeller could always make several yards after

the first man tackled him, and he also made a number of good tackles. As a blocker and a line plunger Sherwood was not equalled.

Willamette's line proved a stone wall defense against the assaults of the heavy Chemawa bucks. When Lawson and Ramsey got their fight up there was not getting by. Bain held the position of center with precision. Wapato and White were at the bottom of every play while Ganans and Lyman did some clever work at ends.

Chemawa sent upon the field one of the best squads the Indians have had in action for several years. Downie punted in fine style and Colby and Nuckooles were good ground gainers. Sampson, the Chemawa fullback, was their most consistent ground gainer. They used the aerial route to advantage several times but for the most part they relied on straight football for their gains.

The lineup was as follows: Willamette (14): Chemawa (6): Ganans.....REL.....Colby Wapato.....RTL.....Eder Ramsey.....RGL.....Nix Bain.....C.....Johnson White.....LGR.....Spearson Lyman.....LTR.....Downie Irvine.....Q.....R.....Downie Rarey.....LHR.....Nuckooles Zeller.....RHL.....L.....Colby Sherwood.....F.....Sampson

Willamette scoring: Touchdowns: Rarey 1, Lyman 1. Goals from touchdowns, Irvine 2. Chemawa scoring: touchdowns, Sampson 1.

Substitutions: Chemawa, Williams for Nix, Bittles for Nuckooles. Officials: "Spec" Keene (O. A. C.) referee; Hauser (Chemawa) umpire. Leslie Springer, head linesman.

CHURCHES HAWLEY WORKS FOR STANFIELD

Congressional Representative Finds Republican Nominee Gaining

Congressman W. C. Hawley has returned from an extended trip in the southern portion of the state. He has been giving his attention to two matters especially. The first is a study of the public needs of the several localities he has visited, including the improvement of rivers and harbors. The second is the election of a Republican to the United States senate.

His visits during the last two months have taken him over the greater portion of western Oregon. He has conferred with hundreds of people from all parts of western Oregon, and believes that the election of Harding by a large majority is certain. He finds also that the candidacy of Stanfield for senator is meeting with public approval, and that he is daily gaining in strength. Mr. Stanfield is well received wherever he goes, and creates in the minds of the voters the belief in his ability and fitness for the place in all respects. Mr. Hawley believes that Mr. Stanfield will be elected and urges his candidacy upon the voters, as there are 48 Republican senators, including Newberry, who will probably be unseated, 47 Democrats, and one irregular, and there are a number of contests in several of the states which now have Republican senators.

"The control of the senate is the great fight of this election," says Mr. Hawley. "It is necessary for the Republicans to control it, or they will be unable to carry through their program of reform and constructive legislation, so
