

# FLARES AND FLICKERS

Thomas Meighan's first Paramount starting vehicle is "Civilian Clothes" produced by Hugh...

at the Oregon theater for three days commencing today.

Ethel Clayton, the charming and popular Paramount star, will be seen at the Oregon theater next Friday and Saturday in "A City Sparrow" her latest photoplay in which she has the role of an Apache dancer.

Convicts breaking out of prison is a common occurrence these days. Convicts breaking out and then breaking in again is a novelty that isn't read about very often. Shakespeare Clancy, the peppy young hero of "The Jailbird," the latest Paramount-face picture starring Douglas MacLean which will be shown at the Oregon theater next Sunday, does both and has an amazing string of adventures in between.

William Farnum is coming in the biggest play of his career. It is "If I Were King," from the great stage success and novel by Justin Huntly McCarthy.

Hal Chamberlain and Vivian Earle are seen in a comedy flicker they have christened "A Vaudeville Menu." It embraces singing, talks, dances, and a violin also has space in their program. At the Bligh today.

Harry S. Wilson presents "The Woman Hater," a very neat little skit which is exceptionally funny, due to the fact that he is so opposed to the female sex. Mr. Wilson is ably assisted by Miss Billy Kirk, a young lady who knows the wedding vows backwards. Coming to the Bligh next Thursday, Friday and Saturday.

Miss Madge Lucas, a dainty, little, Auburn-haired Australian, opens her artistic novelty with an exceptionally clever eccentric dance, which is extremely humorous. Coming to the Bligh next Thursday, Friday and Saturday.

Gouverneur Morris has created one of the most amazing characters in American fiction in Bligh today, the legless wonder of "The Penalty," and master of the underworld of San Francisco. The film comes to the Liberty theater soon.

Miss Norma Talmadge has well exemplified the difference between the woman prepared by work to do her share of the problems of married life and the one who shirks. In "The Woman Gives," which will be the attraction at Ye Liberty theater, beginning today, this young screen star takes the part of a young talented girl to whom "giving" is as natural as breathing. The story relates how this virtue of hers proves the making of one man and the saving of another, whom "a woman who takes" has started on the road to ruin.

Ballinger and Reynolds, "A Tip on the Line," gives this eccentric comedian and his girl associate plenty of opportunity to bound recklessly upon the taut wire and do startling and daring things upon the slack wire. At the Bligh today.

"The Virtuous Model," the Albert Capellani-Pathe feature starring Dolores Cassinelli, which comes to the Bligh today for two

days, is the story of a lovely young girl who withstands the temptations of the cabarets and artists' studios of Paris.

"Rio Grande," the Edwin Carewe-Pathe feature production on view at Ye Liberty theater for three days commencing next Thursday, is an outdoor story. It sets its name from the river that separates Mexico from the United States.

In "Girl of the Sea," the attraction at Ye Liberty for three days commencing next Sunday, the audience is taken to the bottom of the ocean where many pictures were taken through a wonderful invention known as the submarine tube, which enables the operator to take photographs of the wonderful life on the ocean's bed.

Walsh and Austin, a clever duo of cross-fire comedy talkers, breezy songs and an infusion of semi-nut antics by the male member of the firm. At the Bligh today.

A cattle "drive," or theft on a wholesale scale, is a feature of "The Flame of Hellgate," the Beatriz Michelena picture, coming to the Bligh Tuesday and Wednesday.

The eternal struggle of good and evil in man was never more strikingly presented than by Robert Louis Stevenson in his immortal "Dr. Jekyll and Mr. Hyde." The famous story has been translated into motion pictures and is said to lend itself admirably to screen portrayal. John Barrymore has the role of the central character and is said to give a striking performance. It will be shown four days starting Tuesday at the Grand theater.

Thomas H. Ince's oldest and youngest star appear together in "Below the Surface," the thrilling picture of New England sea-faring life which is now playing at the Grand theater. Hobart Bosworth, famous for his screen appearances in stories of the sea, has the role of the hero, a rugged, professional diver. The story written by Luther Reed, centers around the attempt of a shrewd crook and his pretty girl accomplice to use the diver and his son to further their scheme to recover money from a wrecked steamer.

"Scandals of 1919" will be the next big road show at the Grand theater. It is one of the biggest musical comedy shows on the road, consisting of about 70 people. It played in a six-months continuous run in New York before starting on tour.

Locklear, the daredevil of the air will be seen in the big Fox special "The Skywayman" at the Grand theater starting Saturday.

John Barrymore plays the greatest role of his screen career as the central figure in "Dr. Jekyll and Mr. Hyde," the Paramount Arctcraft screen version of Robert Louis Stevenson's immortal story. The picture will be shown at the Grand theater Tuesday, Wednesday, Thursday and Friday. Martha Mansfield, a beauty from the Zigfield Follies with considerable dramatic ability, is the leading woman and the picture was directed by John S. Robertson.

# BEARCATS SHOW BETTER CLASS THAN CLUBMEN

## Game on Multnomah Field is Scoreless, But Collegians Lead in Yardage

### INCHES HALT VICTORY

#### Irvine and Zeller Star for Mathews' Players on Portland Field

Willamette's football eleven outclassed the Multnomah squad in a scoreless gridiron contest staged Saturday afternoon on the Multnomah field, Portland. Although the Bearcats were out-weighted more than 15 pounds to the man, they played a superior type of ball, gained more yardage, and threatened Multnomah's goal during two stages of the game.

#### The fast shift Willamette aggregation was accorded the support of the spectators throughout the entire game. Each play was received with a responsive applause from the grandstand.

#### Bearcats Take Offensive

In the first quarter the contenders exchanged punts but neither team was able to gain the advantage. In the second quarter Willamette assumed the offensive and rushed the ball to Multnomah's 10-yard line. The clubmen staged a comeback at the beginning of the third quarter but were unable to cross the line with the piston.

In the last quarter by a series of long and short forward passes the Bearcats advanced the ball to Multnomah's 20-yard line. Irvine attempted two drop kicks, both missing the goal by a fraction of an inch. Irvine's second kick hit the bar and by an unlucky swerve bounced back into the field.

#### Zeller Makes Long Run

Irvine and Zeller were consistent ground gainers for the Bearcat eleven. Irvine making some clever passes which netted substantial gains. Zeller made the longest run of the game when in the third quarter he carried the ball for 25 yards.

Bastler and Rarey, who took the places of Vapato and Lawson in Saturday's game, proved themselves tackles who were impossible to get by.

Halt and Brown were the biggest ground gainers for Multnomah and Radcliff played a spe-

cial game at end. The line-up follows:  
 Willamette: (O) Multnomah (O)  
 Bastler... (O) Radcliff  
 White... (O) Lavin

### New Low Level Reached in West Coast Lumber

With an unshipped order balance of 4755 cars, as against a normal of 13,000 cars, lumber for future rail delivery established a new low level last week.

A further drop in the unshipped rail balance is forecast by the fact that, during the week deliveries by rail were 20 per cent in excess of new business accepted for rail shipment.

Total new business was 56,262,977 feet. Production was 79,875,111 feet. Shipments, 59,937,048 feet. Production was 17 per cent below normal.

Of new business placed, 37 per cent was for retail yard and industrial use, largely in noncompetitive territory. Domestic cargo orders amounted to 31 per cent of the total; railroad buying, 18 per cent; export orders 11 per cent, and local business 3 per cent.

Unshipped balances were 142,050,999 feet for destinations reached by rail haul. Domestic cargo, 100,426,994 feet. Export, 34,283,494 feet. Total, 277,360,488 feet. Productive capacity, Oregon and Washington, west of Cascade mountains, 21,000,000 feet per day.
