Idaho Loses to Oregon When Brown Stops Passes and Runs for Goal

SEATTLE, Wash., Oct. 23.—By a final count of 3 to 0, scored on a place kick from the 17-yard line Oregon Agricultural college triumphed over the University of Washington in a see-saw contest here today. It was the Aggies' first victory over the purple and gold in 15 years of football history. The Aggies' only score came in the second period, in a few minutes after Fullback Wilson of Washington had missed an attempted field goal from the 35-yard line. Powell booted the ball safely into Washington territory. A few minutes later the Aggies gained possession on downs and after a series of end and tackle plays, had netted eight yards. Crowell kicked a perfect goal from the 17-yard line. Twice during the following period Washington failed to score on field goals, in both instances the ball missing the posts by inches. Neither team was able to gain much yardage by line plays and the game resolved into a punting battle with the ball swinging from one side to the other.

line bucks. Irving kicked goal. Oregon made 120 yards from scrimmage to 106 for Idaho. On forward passes Oregon completed five for a total yardage of 39 yards. Idaho completed four passes for 24 yards. First down was made by Oregon 11 times while Idaho made their yardage eight times.

Stanford, 21; Santa Clara, 7. SANTA CLARA, Cal., Oct. 23.—Stanford displayed a reversal of form here today and defeated Santa Clara 21-7 in the latter's "big game" of the season. The Mission eleven was outplayed in nearly all branches of the game. Stanford's first score came six minutes after the opening whistle when Patrick carried the ball across for a touchdown, after it had been bucked down the field through Santa Clara's line. In the third period Patrick repeated. The fast Cardinal tally came in the fourth. Campbell kicked all the goals. A Stanford fumble gave Santa Clara its only score with the game but a few minutes to go.

BEKKLEY, Cal., Oct. 23.—The University of California football team continued its streak of winning games by big one-sided scores, defeating the University of Utah football eleven 63 to 0 here today. California made yardage consistently on practically every style of play, from straight line bucking to forward passes.

Oregon, 13; Idaho, 7. EUGENE, Or., Oct. 23.—The University of Oregon football eleven won over the University of Idaho here this afternoon by the score of 13 to 7. Both teams played excellent football, with Oregon getting a slight break and playing a slightly better brand of football than they were with in striking distance of the Gem State's goal. "Red" Brown, the Oregon end, scored the first touchdown when after but four minutes of play he intercepted a fumble that was still in the air and raced 40 yards. Steers failed to kick goal. Oregon scored again in the second period on a pass from Rinehart to Brown. Rinehart kicked the goal. In the third period H. Breashears of Idaho went over after his team had made yardage several times on a combination of passes and

Harvard, 31; Centre College, 14. CAMBRIDGE, Mass., Oct. 23.—Harvard football fitness, weight and endurance, triumphed over Centre college individual gridiron brilliancy today in one of the most thrilling inter-sectional games in many years. Illinois, 3; Michigan, 6. ANN ARBOR, Mich., Oct. 23.—By a goal after touchdown, Illinois virtually eliminated Michigan from the western conference championship race today when it won 7 to 6. Michigan scored its touchdown in the second period on a 75-yard run by Dunn, who intercepted a

Ohio State, 13; Wisconsin, 7. COLUMBUS, Oct. 23.—Coming from behind in the last minute of play and duplicating the feat of Illinois last year when they won the western conference championship here, Ohio State, through "Hobe" Workman and "Pete" Stinchcomb, wrecked Wisconsin's championship aspirations today, defeating them 13 to 7. A 38-yard forward pass from H. Workman to Stinchcomb, who raced 20 yards for a touchdown, ended the game.

Opposition to Military Training is Refused

WASHINGTON, Oct. 23.—The United Lutheran church, in biennial convention, refused its approval today to a committee resolution opposing military training in public schools. The special committee report recommending that the Lutheran college at Saskatoon, Canada, be granted permission to raise \$50,000 in the bonds of the church was adopted and the convention requested the mission board of the northwest cooperate with the education board in the work. Plans to increase the building of Lutheran churches at state schools whose student bodies comprise Lutherans were approved. Indorsement was given to the recommendation of the board to recruit 500 young men for the ministry.

Daniels Says League is Great Moral Issue

LINCOLN, Neb., Oct. 23.—Declaring the league of nations to be a great moral issue, Secretary of the Navy Josephus Daniels, in a speech to a large audience tonight, said a number of church denominations in their annual conventions had given it their indorsement. "The only reason the republican senate leaders have thwarted the league," said Secretary Daniels, "is because, they knew, if President Wilson could bring back the treaty and secure its ratification, it would give him and his party a prestige so great that the republicans would stand no chance of winning the election. You know as well as I know that if the treaty had been written by the republicans they would have been for its ratification." Secretary Daniels criticised Senator Harding, whom he accused of occupying a different position on the subject every day of the week.
