States from which returns tonight were incomplete were Arizona, Missouri, Montana, Nevada. New Mexico, North Dakota, Oklahoma and Tennessee.

### DISTRICTS MUST SELL ROAD BONDS

(Continued from page 1) the market road districts in which the county court finds it expedient to do road work during the coming year, and to apportion to each district the amount of bonds that it will be necessary for that

district to sell. County Will Spend Full Quota Under the market roads plan as adopted prior to the election at which the market road bonds were authorized, the county court will spend on market road con-struction out of the funds raised by direct taxation through the regular channels, one dollar for every dollar raised by the sale of the bonds, as far as it is possible for the court to do so. The exact will be more or less than \$1 acording to the amount of other

expenses that must be met out of these funds. Hurley Moore of Woodburn, George Hubbs of Silverton, T. B. of Salem, and others stated that they were sure that their respective districts would subscribe for, or guarantee the sale of all of the bonds allotted to their respective districts as soon as the county court made

the allotment. The committee recommended to he county court that the court purchase a fourth paving plant and install it at West Woodburn during the coming year to do the paving required in that district, it being understood that the cost of the plant, complete, would be about \$40,000.

County Roadmaster Culver was resent at the meeting and gave interesting information as to the work done during the past year. He pointed out that due to the short season in which road work could be done, they were only able to pave about 10 miles all told, whereas they expected and would have been able to pave at least 20 miles had weather conditions been normal. He fully expects to pave at least 20 miles during the coming year if anything like a reasonable period of favorable

Mr. Culver reported to the committee the amount of money spent on the principal market roads during the year, of which the following is a partial list: Turner-Marion \$4,100; Brooks-Pacific highway, \$3.796; Man-ning Corner - Parkersville, \$4900; Aurora - McDonald, \$17,000; Aurora-Butteville, \$10,000; St. Paul-Newberg, \$1,500; Woodburn - St. Paul \$10,000; Mt. # WOMENS AND MISSES COATS

# TO BRAVE THE WINDY DAYS

Time was, when a winter coat was a necessity and seldom a thing of beauty, these days the coats that we are showing are so stunning in line, fabric and shade, that one is glad of cold days and the opportunity to wear them. Many of our new coats are completely silk lined; many have rich fur collars; others are finished with many rows of

silk stitching. Coats of silvertone, bolivia, velour and other wool mixtures find favor in the new winter shades. The "Pay As You Go" Plan Carries Its Own Guarantee of Happiness

Prices are -- \$22.48, \$24.75, \$34.75, \$44.75 to \$64.75
