Turkish Baths are used and have been used for ages not only as the best method for cleansing the external body, but in cases of rheumatism, with agonizing pains and aches in the limbs, joints or muscles, or in cases of scrofula, sores, boils, colds or catarrh, remember that Turkish baths are what you should take, as the most valuable remedy, and blood cleanser.

Rev. H. N. Aldrich Will Address Club Meeting

"One of the Principles of the H. Y." will be the subject of the talk to be given by Rev. H. N. Aldrich at the Sunday club meeting at the Y. M. C. A. at 4:30 this afternoon. Rev. Mr. Aldrich is a popular speaker among boys and his appearance insures a good attendance.

The meeting will be led by Rev. Mr. Crocker, president of the Washington Junior H. Y. Floyd McIntyre of the Willamette quartet will furnish special musical numbers.

The leadership of the Sunday meetings has been changed each week, but it is hoped that in the near future the club will perfect its organization and a program for the year will be mapped out.

Must Pay Tax—Property owners in a union high school district organized subsequent to the organization of a county high school must pay taxes for the maintenance of both until such time as the county boundary board can establish the fact that the union high school is equivalent in efficiency to the county high school. This is the substance of an opinion written by Attorney General I. H. Van Winkle in reply to an inquiry made by J. A. Churchill, state superintendent of schools.

PERSONAL MENTION
Dr. M. C. Findley left the last of the week for southern Oregon, where he will remain for several weeks recuperating from his recent illness.

Miss Hazel Bostrack of Redne is in the city spending the week-end.

E. S. McCormick of Hubbard was a Salem visitor yesterday. Mr. McCormick is superintendent of schools at that place.

M. J. McWilliams of Mehama was a business visitor in Salem yesterday.

President Carl Gregg Doney returned Friday from a two weeks' eastern trip, during which time he attended the congress of Methodist college presidents in Chicago.

Now watch things go.
Big deals are going to break.
Men of action know they are safe now, and they are ready to go ahead with their plans.

Oregon, with her great forests of timber, her vast water powers and other undeveloped resources, is going to be in the forefront of progress.

There will be team work, too, in congress, and the men who represent Oregon will have first consideration for the interests of this state—not first for the south or any other section or any generalization of the whole country.

That is what Oregon wants of her representatives—for there is a real selfishness that is inimical to the whole country's welfare.

The other states expect their representatives to be selfish in the same way, and so Oregon will not get too much attention.

The great heart of Salem—of Salem women—will not allow that gift of jams and jellies for the tubercular soldiers in the government hospital at Denver to be a mere dribbling of pinched charity. It will be a big and generous gift, bestowed in true holiday spirit.

Get behind and boost—be a Phizzer.
