NOT WORKING BUT TIRED OUT

When one feels always tired without working, or suffers from backache, lumbago, heumatic pains, sore muscles or stiff joints it is not always easy to locate the source of trouble, but very frequently it can be traced to overworked, weakened or diseased kidneys. Mrs. L. Gibson, 12th and Edison St., La Junta, Colo., writes: "My kidneys were giving me a great deal of trouble for some time. I took Foley Kidney Pills and they helped me right away. Phez Brand Prunes Make **Debut in Salem Stores**

Phez brand prunes have made their appearance in the Salem stores where attractive window displays are being shown.

Phez prunes are packed in 10pound cartons with an attractive four-color wrapper of buff and blue tones. The main feature of this wrapper is a beautiful reproduction of fresh prunes which are shown dropping from the bounteous hand of Oregon. It is stated at the Phoz com-

pany's office that Phez prunes are the combined result of an heard in Salem; nine artists; no idea and a situation. The idea was that Oregon prunes rould be sold in cartons. The situation was that the ordinary channels for prunes were sluggish. Hence the Phez good-will and the Phez high-powered selling force were hitched to Oregon prunes, and the first car moving to Chicago yesterday was the result.
