Balance, amount to be raised by district tax\$166,062.70 The amount of money to be raised by this special tax is more than the amount raised by special school district tax in the year immediately preceding this, plus six per cent. It is necessary to raise this additional amount by special levy for the following

reasons: (1) Loss of county funds on acin attendance, approximately 17 per cent. (3) Because of opening McKinley school. (4) General higher cost of operation. (5) Taxes to cover bonus voted last year for teachers which was granted this year. (6) Payment of past indebtedness.
