## ILLUSTRATORS OF CHILDREN'S BOOKS

The number of artists who are hooks; as are also Mile Winter. illustrating children's books has Louis Rhead or rather, the Rhead increased to such an extent and brothers, and Lancelot Spud, pertheir work has attained to such a haps because they illustrate books. degree of excellence that it is now for older children.

necessary to take the subject up as separate from that of illustration in general. Even so it could. to advantage, be taken up under two heads, the artists whose illustrations appeal primarily to the adult mind and those who really have the gift of appealing to the child heart. However, that ful. would open up too wide a field the artists who are doing the most unique and most imaginative

#### **Dulac** in Forefront.

Wonderful in color and probably first in beauty of line and design and decorative quality comes Edmund Dulac. Anvone who has not seen "Arabian Nights Tales" illustrated by him has certainly missed an artistic feast Best known in England, but be-

coming well-known in America, is Walter Crane, He began his career in the '70s, using the wood block. pear. many an anoaymous fairy tale and nursery rhyme. He has a sweet and gracious simplicity of fancy and no one can make a mistake, by choosing a book illustrated by Walter Crane.

Sir John Tenniel is also a veteran of illustrating; and any grown-up, who loves his "Alice in companion him and make him just Wonderland," knew her and re- a wee bit more joyous. members her as pictured by this inimitable creator.

**Humor Is Delightful** Arthur Rockham has a magical gift for creation of character and

atmosphere. He is the real tion seems to know no bounds; and his sense of humor is delightful. There is a tenderness in his art which does away with the graesome and the fearful. Here in America we know his il-

The fairy folk pictures by Dugold Stewart Walker are masterpieces of intricate design. Wonderful peacocks strat their splendid way through gardens with weird Japanesque-looking trees and flowers. His page decorations are unique and most grace-The fairy tale of Hans Andersen have been used as to be covered in this article, so Andersen have been used as we shall merely consider a few of tures in color. They are full of the Japanese spirit and yet they are most distinctly Dugald Stewart Walker.

#### Nature Is Theme

"Wild Flower Children," is a nature book illustrated by Janet Laura Scott. The delicate beauty of wild flowers is metamorphosed into that of fragile, dainty maidens, with always the flower imaged, an integral part of the picture. Sometimes the chalice. in colors of nature appears as a frilly skirt, sometimes as pointed capes adorning wee fairy folk. He has illustrated Shakes sometimes as a dainty bonnet Grimm's Fairy Tales, and perched coquettishly on golden curis, and even as a sunshade held by pistel handle.

The quaint fancifulness of "Myself and 1" by Helen Van Valkenburgh has been most smynathet. ically pictured by Maginel Wright Enright. She has caught the wistfulness of a lonely little boy and we feel we should like to

SALEM

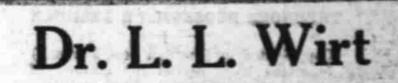

ALL EYES DON'T SEE ALIKE Most people can see quite clearly, but to do so many of them have to struggle. This struggling to see clearly is a severe strain. That is why there are so many headache sufferers. TAKE A LITTLE TROUBLE with your eyes or, sooner or later, they will trouble you. Most pleasures and much of your capacity for work depends on your

good vision.

APPEAL TO O'NEILL He will test your eyes thoroughly and scientifically and you will then learn their true condition. If you do not need glasses, he will promptly tell you so.

Dr. C. B. O'Neill
