Bynon Meets Buddie Who Saw Great Shirley Company in Idaho City

Attorney Allan Bynon narrowly escaped heart failure yesterday. A fellow member of the American Legion was the cause.

You know, Bynon is manager of the concert and dance which is to be given by Capital post No. 9 tomorrow night. Well, Bynon was in his office, working like a beaver turning out publicity matter for the big event, when the door opened and in rushed Carl Gibson, plunking down \$5 on the table.

"Give me five tickets to the big event," said Carl. "I tell you, Bynon, it's great. I saw the Great Shirley company in Payette, Ida., and they sure deliver the goods. I wouldn't miss this show for anything short of the privilege of going over the top after the Henries."

"I nearly had heart failure," said Bynon. "Of course, I grabbed the five-spot and handed over the tickets. They're selling fast, but this was my first experience in selling them wholesale, and it did my heart good to see again demonstrated the liberality and loyalty of the Legion boys of Capital post No. 9."

The advance sale of tickets is surprisingly strong. Kafony Brothers are in the lead as to

sales to date, but are closely followed by Patton Brothers, The Gray-Belle, Salem Bank of Commerce, The Spa, Hauser Brothers, Smith's cigar store, Davies' Shack and the Central pharmacy.

"I have heard from eastern Oregon where the Great Shirley company has entertained for the American Legion—Pondleton, La Grande and Baker—and the boys are enthusiastic in their praise of these high-class entertainers.

"Arrangements are being perfected for special features, among them an electric pageant dance, which is in charge of George Cherrington.

"We expect a record crowd. Ticket sales indicate it and I have heard of several social clubs, which meet regularly every Wednesday, that have postponed their meetings on account of our concert and dance.

"The executive committee and all sub-committees will meet in my office tonight (Monday) to make final arrangements for the success of every feature of the evening's entertainment and pleasure.

"The Great Shirley company will give the people of Salem one of the greatest treats ever heard here, and the dance which immediately follows the concert will afford additional pleasure."

All lovers of good music and high-class entertainment should hear the Great Shirley concert company. A company of picked artists from different parts of the United States. The company, all women but Mr. Shirley, make up the orchestra for the accompaniment of Mr. Shirley's solos, and each do some specialty, making

the entertainment one of the most varied and entertaining on the road. Mr. Shirley, saxophone king and instrumentalist, is an entertainer of true merit. He is a composer and arranges and orchestrates all the music used by his company. All the other members are experienced instrumentalists and entertainers.

Are You Concerned in Your Telephone Service

Telephone service is now universally recognized as a necessity in business and social life. In your own business every day a hundred details are disposed of by telephone which would require weeks of time and cost you many times over your present expense if they had to await the slow and antiquated methods of a few years ago.

This being true, you are concerned in whether or not the Company which furnishes your service can continue and improve and extend that service. You are interested in whether or not money can be obtained to maintain and build up the system which is trying to keep pace with Oregon growth and progress.

Neither the telephone company nor any other public service company can go ahead if its revenues are not sufficient to maintain and operate its property and pay a fair earning on the money necessary to extend its business to meet the public demand.

You are interested—It is your service.

Dr. E. C. Hickman of Portland Named to Succeed Henry J. Talbot

Announcement was made yesterday that Rev. E. C. Hickman, who for the last year has been pastor of Wilbur Methodist church of Portland, has been elected president of Kimball School of Theology here to succeed the late Dr. Henry J. Talbot.

When Wilbur church of Portland and Centenary church effected a merger about two weeks ago, the board of trustees of Kimball school opened negotiations with Rev. Mr. Hickman and procured his acceptance of the place. Mr. Hickman will remain in Portland until the first of the year.

Rev. Mr. Hickman came to Portland from the Minnesota conference about a year ago. For three and one-half years he had been engaged in general work of the Minnesota conference. For two years he was director of organization for the centenary movement, which, the country over, completed a drive for \$115,000,000. Prior to engaging in that work Mr. Hickman was director of publicity for an endowment campaign for Methodist colleges which raised \$25,000,000. Before taking up that work he was engaged in pastorate work in the state of Minnesota.

Mr. Hickman is a graduate of Hamline university of St. Paul, and of Garrett Biblical institute at Evanston, Ill. At the latter place he was a fellow student with Rev. Blaine E. Kirkpatrick who recently has become pastor of the First Methodist church of Salem.
