NOT A SALE

J.C. Penney Co.

Do not construe this price revision as a "sale." The J. C. Penny Co. does not believe in "sales." We believe that if merchandise can be sold at a certain "sale price" on "sale," it can be sold at that same price every day. Moreover, so-called "sale prices" are temporary. These are permanent prices. We have delayed this announcement until our buyers, who are located in the heart of New York's greatest market district, could thoroughly sift the price decline. We are convinced that the market has touched bottom—at least for several months—and we unhesitatingly advise that you cover your needs NOW.

We were ready, and have bought at the bottom. This fact is amply reflected in every price we quote. The saving thus effected is Yours.
