

SALEM WINS HONORS IN HILL CLIMB

Delbert Cooper Comes Home From Rose City Contest With Trophy Cup Awarded for Victory

NOVICE PRIZE WON BY C. V. HINSHAW

Portland and Oregon City Riders Outdone by Members of Local Club

Members of the Salem Motorcycle club, though only three of them participated, took the lion's share of honors and came home with the Oregon Journal trophy cup and the novice prize because of the superiority of their performances yesterday in the annual New Year hill climb at Oregon City under the auspices of the Rose City Motorcycle club. Delbert Cooper of Salem topped the Journal trophy cup for the professional event, and in the same event H. T. Smith of Salem placed third. Second honor went to Walt Hatfield of Portland. The novice cup was won by C. V. Hinshaw of Salem. The final result showed that each of the three Salem men took a place, and two of them were first. Portland captured only two places and Oregon City one.

Hinshaw in the novice event made the highest mark of the day, outdoing all competitors by about 75 feet, although the best riders in the northwest participated in the event, and special motors brought from San Francisco were used.

The Journal trophy cup was won last year by the Strime Cycle club of Portland. It must be won three years in succession to become a permanent possession. The hill was in the worst condition ever known during a hill-climbing contest, being exceedingly muddy because of the recent heavy rains.

Young Woman Dies From Airplane Fall

ONTARIO, Cal., Jan. 1.—Miss Esther Gamble, 20, of Ontario was fatally injured today when an airplane in which she was a passenger, fell into an orange grove near here. She died while being carried to a hospital. Nearly everyone in her body was broken. Clarence Bargunier, pilot of the airplane, escaped without serious injury. He said he believed a swift air from a train passing below the plane prevented his planes and rudder from working properly.

REAL AND RARE ORATORY TO BE HEARD MONDAY NIGHT ON ANTI-CIGARETTE SUBJECTS

Four Speakers From Various Sections to Participate in State-Wide Contest, Winner to Receive Dollar for Each Minute He Talks—Moral Duty Seen by Young Platform Experts.

Real and rare oratory is expected when the four competing orators from the different districts of the state deliver their respective orations in the dollar-a-minute oratorical contest at the First Christian church Monday night. For months the orators have been working upon their orations and now every orator is in the prime of condition and ready to mount the platform and make the best possible showing. They will arrive in Salem Monday morning and will spend the day resting until time to speak in the contest.

No Charge Required. This is to be the first contest of its kind that has ever been staged for the Salem public and a large crowd is expected to witness the event. There will be no admission fee or compulsory charge of any kind. However, those who desire to help defray the cost of anti-cigarettes for Oregon will be given an opportunity to do so. The orators who will appear in the contest are Clifton Phillips of Elgin, whose oration is entitled "America's Inconstancy"; Francis Arant of Monmouth, who will deliver the oration "The Coming Clean-up Campaign"; Miss Joy Adyol of Forest Grove delivering her oration "Our Common Enemy," and John Gariner of Eugene, who will speak upon the subject, "Beware." Moral Responsibility Felt. The orators are all native Oregonians and their preparation of the orations is an outgrowth of a keen sense of moral duty to their state. The contest will be

STATE OFFICIALS ARE REAPPOINTED

Ferguson and Handley to Begin New Terms

Fourteen first-of-the-year lucrative and non-lucrative appointments were announced yesterday by Governor Olcott.

J. W. Ferguson was reappointed a member of the state industrial accident commission and T. H. Handley was reappointed state corporation commissioner.

Ferguson was appointed by Governor Olcott July 1, 1919, to the place of Harvey Beckwith and today completed Beckwith's unexpired term. Handley was appointed May 27, 1920, to succeed H. J. Schulderman who was ousted by Governor Olcott following the primary election and has filled out Schulderman's unexpired term.

Other reappointments announced by the governor were: D. S. Blanchard of Grants Pass, G. F. Felt of Sumpter, R. N. Pitts of Cornucopia, W. B. Dennis of Carlton and F. A. Olmstead of Portland as members of Oregon bureau of mines and geology; W. D. Wheelwright, Mrs. Elmer C. Giltner and Mrs. Henry L. Corbett, all of Portland, as members of the child welfare commission; Amedee M. Smith of Portland as a member of the industrial welfare commission; G. H. Baker of Bend as a member of Oregon land settlement commission; David M. Dunne of Portland as a member of the state board of vocational education.

None of these offices except accident commissioner, and corporation commissioner is lucrative. The members are allowed expense money. The three members of the child welfare commission were appointed by the governor July 10 this year, when the entire personnel of the board was changed. Of the five members of the board the governor appointed three, the state university board and the state medical association one.

DE VALERA HAS NOT ARRIVED

"President of Irish Republic" May Be Taken on Second Charge

DUBLIN, Jan. 1.—Leading Sinn Feiners and government officials alike deny knowledge of the arrival here of Eamonn De Valera. They assert that he did not arrive on board the steamer Pontiac and telephonic inquiry at Irish ports failed to reveal that the "president of the Irish republic" has made his entry into Ireland.

Some Sinn Feiners credit the statement of Harry Boland, secretary of De Valera in the United States, that De Valera has landed on Irish soil. It is stated there would be no need to arrest De Valera on the old charge against him, that of having escaped from jail, as he could be taken into custody under the Restoration of Order in Ireland act. The ground for the

(Continued on page 3)

OLD ACT IS BRANDED AS OUT OF DATE

Antique Statute Discovered by Attorney Macy Not Expected to Have Much Weight With Council

RESIDENCE TENURE NEVER CONSIDERED

Chief Moffitt's Proposed Traffic Returns Meet with Wide Approval

A moth-eaten and cobweb-covered city statute which City Attorney B. W. Macy said to have discovered in the attic at the city hall, placing an inhibition on the employment of any person as policeman who has not lived in the city at least three years, is not expected to have much weight when the city council meets tomorrow night to pass a Chief Moffitt's proposed platform of city protection.

This legislative mummy must have lived in the days of Jason Lee. Anyway it has been dead these many years and no one has ever before undertaken to resurrect it. This may have been such a fossil, or if anyone did, none but the city attorney has ever been interested enough in antiquities to bring it to light. The old statute would be kind of a Rip Van Winkle among the progressive laws of the city.

Requirement Ignored That the statute Mr. Macy has found has long been dead is evidenced by the fact that it has not in recent years been enforced or even mentioned in the selection of policemen by the city council. It is said that at least two members of Chief Weish's staff would have been disqualified by the requirement while practically the entire staff of one of his predecessors had been held without ability to make arrests or otherwise perform the duties of police officers because of the brevity of their residence in Salem.

Mayor Halvorsen inclined to scotch at the status it exists, and considers it dead.

Bigger Force Possible Indications are that the new chief's program will have strong support Monday night. If his recommendation to a police operating fund can be accepted with the requirement that it is likely to meet with favor, and this, it is believed, would make possible the carrying out of the program for a big police force. The chief's recommendation for traffic reforms, including those relative to speaking and parking of automobiles, have met with general approval and doubtless will be adopted.

Convict Used Ink and Piece of Rope SACRAMENTO, Jan. 1.—A book and piece of rope used by John Foster to scale the wall and escape from Folsom prison last night were found today. Until the rope was found, Warden J. J. Smith believed that the man was hiding in the prison yard. Police have been directed to search along the American river toward Auburn and officers of neighboring towns have been directed to watch for the man. Foster escaped from his cell during the night. He had a dummy made of newspapers in his bed and the guard on watch was fooled until morning. He has escaped twice before and is regarded by the prison authorities as dangerous.

Juarez Saloons Are Closed on New Years EL PASO, Tex., Jan. 1.—Saloons and gambling houses in Juarez, Mexico, opposite here, were closed today and many hasty Americans bent upon celebrating the new year in was forbidden by the Volstead act were disappointed.

The closing order was issued by Mayor Francisco G. Gonzalez, who assumed office today. The mayor gave reasons for the order of statement to how long the drought may be expected to continue.

An order issued yesterday by state authorities closed gambling houses which have been in operation since December 1.

ST. LOUIS CELEBRATES ST. LOUIS, Mo., Jan. 1.—One murder, three accidental shootings and an automobile accident in which persons were injured comprised the list of casualties during the quietest New Year's celebration ever held in this city. Although the police and federal prohibition enforcement agents kept a close watch on "hip-pocret" revelers, many were able to commemorate the beginning of 1921 in the old time fashion.

SEAPLANE NC-5 SETS NEW NON-STOP RECORD

702 MILE FLIGHT MADE IN 9 1/2 HOURS

Trip is Longest One Made in History of Naval Aeronautics

SAN DIEGO, Cal., Jan. 1.—Establishing a new American non-stop aviation record for pilot and five passengers for seaplanes, the United States naval seaplane NC-5, flew from San Diego to Magdalena bay in the remarkable time of 9 hours and 15 minutes today. The big, triple-motored plane covered the 702 miles between Point Loma and Magdalena bay at a speed of 72 miles an hour.

The naval air station here reported that the flight of the NC-5 was the longest in the history of naval aeronautics and exceeded by about 65 miles the longest jump made by a seaplane in the trans-Atlantic flight.

The NC-5 was commanded by Lieutenant H. V. Baugh. In striking contrast to the ill-fated plane encountered when it was partially wrecked here at the start Thursday morning, was the good fortune which attended its astounding flight today. Between the hours of midnight and 3 a. m. the day the 14 seaplanes took off, Lieutenant Baugh was married and he fell heir to an unexpected honeymoon when the seaplane was returned to the station for repairs.

The repairs were rushed by three shifts of mechanics and the NC-5 got under way on its second attempt at 7:45 this morning.

According to the schedule of the flight the 12 P-5-1, machines were to have left Magdalena bay this morning. At 7:15 tonight the naval air station announced that it had no report today from the 12 planes which should have reached Magdalena bay, 455 miles away, this afternoon. Navy officers said that they were experiencing great difficulty in communicating with the planes and that it was highly probable that a report from them would not be received until early tomorrow.

NEW REGIMES OPEN MONDAY

New Sheriff, Assessor, District Attorney and Others Take Offices

Tomorrow morning, beginning of the first legal business day of the new year, two new county officials, a new district attorney and a new mayor for Salem will be in their saddles. Verden M. Moffitt, the new chief of police, began his duties yesterday. Oscar Bower will succeed W. I. Needham as sheriff, after having served a long period as deputy in that office. Mr. and Mrs. Bower, who were recently married, have moved into the court house residence provided by the county, and Mr. Needham and family have moved to 855 North Twenty-first street. Mr. Needham has become affiliated with the Capital National bank.

Oscar Steelhammer succeeds Ben F. West as county assessor. He has worked as a deputy in the office. Mr. West will work at his trade as a printer for about two months and then open real estate offices in Salem.

John H. Carson, new district attorney, tomorrow succeeds James G. Heitzel. Mr. Carson has not yet made an appointment of his deputy.

George E. Halvorsen will succeed O. J. Wilson as mayor and will preside over his first meeting of the city council tomorrow night. Since city officers are to be elected and the program of Chief of Police Moffitt passed upon, the meeting promises to be one of the most stormy of the year.

New members of the city council will take their seats at the meeting Monday night. The changes will be Carl Pope for R. W. Simeral, Ralph Thompson for George E. Halvorsen who is the new mayor, Hal D. Patton for Paul Johnson, John Jefferson for Gerald Volk, A. F. Marcus for W. F. Buchner.

Pataccio's Surrender Refused by Italy ROME, Jan. 1.—The crown prosecutor has rejected the request of the United States authorities for the extradition of Vincenzo Pataccio, who is being held in Naples charged with shooting and killing Giuseppe Gentile and Louis Spennelli in New York on the night of March 7, 1919. The prosecutor held that since the crime with which Pataccio is charged is punishable under Italian law, he can be tried in Italy.

District Attorney Edward Swann of New York, said he would be represented by a New York detective when Pataccio is tried in Italy. Pataccio was a naturalized citizen of the United States. In an effort to have him returned to the United States, Michael F. Lenti, Italian member of the schetti, Italian member of the New York detective force was sent to Italy. He will remain and assist at the trial.

EVERETT HIGH TEAM WINS CHAMPIONSHIP

WESTERNERS DEFEAT EAST TECH 16-7

Visitors Excel in Trick Playing; 10,000 People Watch Contest

EVERETT, Wash., Everett high school football team, western prep school champions defeated East Tech high school of Cleveland, O., claimants for the eastern championship, by a score of 16 to 7 here today. The visitors excelled in trick playing, scoring on a forward pass. Everett's strong line was Cleveland's stumbling block, both offensively and defensively. The home team's touchdowns were the result of steady consistent gains. It was Everett's ball on Cleveland's one yard line when the whistle blew. A crowd estimated at 10,000 witnessed the contest.

The lineup: Everett Position Cleveland Westrom...LE...Ramus Britt...LT...Blick Ingham...LG...Prato Walters...C...Hardy Westrom...RG...Trice Torgerson...RT...Trice Dixon...RE...N. Behm Carlson...QB...Berkowitz Michel...LHB...J. Behm Wilson...RHB...McFadden Sherman...FB...Carlson

Scores by periods: Everett 16 0 0 0—16 Cleveland 0 0 0 7—7 Everett scoring: Touchdowns, Sherman, Michel. Goals from touchdowns, Sherman 2. Cleveland scoring: Touchdowns, N. Behm. Goal from touchdown, McFadden. Safety, McFadden. Referee, Coyte, Seattle. Umpire, Doyle, Seattle. Head Linesman, Gottstein, Seattle.

Time of periods 15 minutes each. Substitutes: Cleveland—Sherling for Ramus; Hakket for Paul; Brown for Block; Lariche for McFadden.

CARDINAL IS MUCH IMPROVED

President Wilson Sends Message of Sympathy

BALTIMORE, Mr., Jan. 1.—Cardinal Gibbons was cheered greatly tonight by a message of sympathy received from President Wilson and it was reported at the home of Robert T. Shriver at Union Mills, where he has been confined during his illness, that he was much improved over his condition yesterday.

The cardinal awoke this morning from a refreshing sleep "feeling like a new man," according to Father Smith. He spent the day quietly. His visitors were allowed to see him. Those in attendance realize his condition is dangerous and liable to another sudden turn for the worse.

WASHINGTON, Jan. 1.—The sympathy of President Wilson for Cardinal Gibbons in his illness was expressed today in a telegram from Secretary Tumulty to the Right Reverend Owen B. Corrigan, Bishop of the Baltimore Catholic diocese. The telegram said: "The president has learned with sympathy and distress of the cardinal's illness and hopes he may very soon learn of a decided turn for the better."

The president tonight received a telegram in reply from Cardinal Gibbons which said: "From my sick bed I send you my heartfelt thanks for your solicitude in my regard, and I pray God may bring you every blessing in this new year."

Princeton Team Wins Debate 2 to 1

PORTLAND, Jan. 1.—The debating team of Princeton university won a two to one decision from the University of Oregon debaters here tonight. The question debated was "Resolved, that congress should prohibit strikes in essential industries." Princeton upheld the affirmative. Oregon was represented by Carl Meyers, Remy Cox and John G. Ganoles.

Adjutant General of Montana Named

HELENA, Mont., Jan. 1.—Governor-elect Joseph M. Dixon today announced the appointment of Major Charles L. Sheridan as adjutant general of Montana. Major Sheridan was endorsed, it is said, by practically all the posts of the American legion in the state.

PICKETS GUARD WATCHERS

BELFAST, Jan. 1.—A unique spectacle was witnessed in Londonderry early this morning when the congregations from the watch-night services were escorted to their homes by fully armed military pickets. The curfew law is in operation in Londonderry and special permission was obtained from the general commanding the military district for the holding of the midnight services. Persons living outside the city were escorted to the last military post and from there sent home.

HARDING WITHHOLDS DECISION

President-Elect Remains Non-Committal Concerning Appointments of Members of Cabinet

CHARLES E. HUGHES STILL IS FAVORITE

Interior and Commerce Posts Are Entirely Undecided

MARION, O., Jan. 1.—Although President-elect Harding has about decided on several of the most important appointments in his cabinet, it was indicated today that he had not yet committed himself to a definite decision in regard to any of the vacancies.

During the last few days he has reviewed the entire field of available, yet no development of a positive character has been revealed. In circles close to Senator Harding, Charles E. Hughes, of New York, continues the most talked-of man for secretary of state and Charles G. Dawes, of Illinois, still is a favorite for secretary of the treasury, although the latter post Charles E. Hughes of New York and John W. Weeks of Massachusetts, still are mentioned as possibilities. Mr. Weeks, however, is more generally regarded as a likely secretary of the navy.

Others who keep to the front in cabinet speculation are Harry M. Daugherty of Ohio, most frequently mentioned for attorney general; Will H. Hays of Indiana discussed for postmaster general; Henry Wallace of Iowa, put forward for secretary of agriculture, and Herbert Hoover of California whose name frequently has been coupled with portfolio of labor, but who has been regarded in the light of recent developments as a more likely choice for secretary of commerce.

Regarding the secretaryship of war, speculation has taken a less definite trend. During the past few days, A. T. Hert of Kentucky, has been mentioned conspicuously for the place, but everything has indicated that Mr. Harding is like from a decision on the point. Like Mr. Weeks, however, Mr. Hert is considered by many as certain to have some post in the cabinet.

The president-elect is said to be entirely undecided in regard to the secretaryships of the interior and commerce, which may be filled at the last moment by men displaced in the final allotment of the portfolio of higher rank. They had been some talk of George Sutherland of Utah for secretary of the interior, but his friends say he is likely to receive a place on the supreme bench.

It is understood that no positive action has been taken in regard to the appointment of a secretary to the president, but the general belief has been that the position will go to George B. Christian, Jr., who has been Mr. Harding's secretary since he entered the senate.

The president-elect spent most of New Year's day at his desk. A. P. Moore, of Pittsburgh, and Mrs. Moore, who formerly was Lillian Russel, were guests at a noonday dinner at the Harding home.

Train Is Wrecked Near Lincoln, Neb.

BEATRICE, Neb., Jan. 1.—An attempt to wreck the Union Pacific passenger train running between Manhattan, Kas. and Lincoln, Neb., was partially successful at 6:30 tonight, when an obstruction on the track a mile and a half south of Beatrice derailed the engine. A thirty-foot rail had been placed squarely across the track at a place difficult of observation. The engineer saw the obstruction in time to partly check the speed of his train, but the force of the impact threw the locomotive from the track. It remained upright, however, and aside from a shaking up no one was injured. Authorities here have begun an investigation.

Troops Occupy Communist Quarters

BELGRADE, Jugo-Slavia, Dec. 31.—Government troops today occupied the headquarters of the communist party through Jugo-Slavia to prevent disorders during a 24-hour strike called in sympathy with the communist agitation, which is alleged by the government to be designed to incite uprisings in several towns.

The communist newspaper in Belgrade has been suppressed. Eighty persons alleged to have had weapons in their homes have been arrested.

HIGHWAY POST IS HARD NUT TO CRACK

THREE-HOUR CONFERENCE FAILS TO BRING DECISION

McCann Has Most Endorsements—Nelson of Pendleton Proves Surprise of List

After Governor Olcott had been in conference for three hours yesterday with R. A. Booth of Eugene and John Yeon of Portland, members of the state highway commission, he was yet unable to announce an appointment of a third member of the commission to succeed the late E. E. Kiddle of Island City.

"We were unable to reach a decision," said the governor, "and the appointment will not be made until some time the coming week. It is an exceedingly difficult appointment to make."

T. A. McCann of Bend has a greater number of endorsements than any other candidate, and apparently Central Oregon is a unit in his behalf. If it were not for the difficulty that the governor seems to be encountering in reaching a decision it would be apparent that the appointment will fall either to McCann, David H. Nelson of Pendleton or William Pollman of Baker. Nelson was one of the first men mentioned in a telegram of endorsement to the governor, but he appeared to be little known outside of his own county, and apparently was not a possibility. He has proved to be one of the surprises in the list, and for several days telegrams in his behalf have been flooding the governor, and have come from many parts of the state, both Eastern and Western Oregon. He has the support, among others, of E. J. Adams of Eugene, former member of the commission. Pollman also has very strong support.

Two new names placed before the governor in telegrams today were F. D. McCully of Joseph and Mark Mayer of Mosier.

MRS. M'SWINEY RETURNS HOME

Takes Word That "All Is Well" in United States to De Valera

NEW YORK, Jan. 1.—Mrs. Muriel Mac Swiney, widow of the late lord mayor of Cork sailed from America today, carrying to Eamonn De Valera, "president of the Irish republic" a message that "all is well" among the sympathizers with his case in this country.

This message to the Sinn Fein leader was sent by his secretary, Harry Boland, who announced yesterday that his "chief" had landed in Ireland to direct the Irish fight for independence, after spending 15 months in the United States.

Several hundred Irish sympathizers surrounded Mrs. Mac Swiney as she entered the pier to go on board the steamship Panhandle State, bearing aloft the three-striped banners of Ireland's "republic." New York's "fighting sixty-ninth" regiment band serenaded her and the crowd sang Irish airs.

Nine little girls costumed in green, orange and white escorted Mrs. MacSwiney up the gangplank and into her stateroom. She carried a farewell message, she called upon America "speedily to relieve the devastation of Ireland and help it to stand by your side, a free and independent nation."

She pictured Ireland as "the victim of such cruelty and crime that even its momentary enemies themselves as they strike, where no home is safe from the fire-brand and ravisher, and no person is sure of his life from day to day—all this because she seeks to walk in the path of liberty which the United States first made."

OHIO COACH ADMITS DEFEAT

"Beaten at Their Own Game" Says Buckeye Mentor

LOS ANGELES, Jan. 1.—Grant P. Ward, head line coach for the football team of Ohio State University in a signed article written for the Los Angeles Times says: "Beaten at their own game." This expression aptly expressed the result of the California-Ohio State New Year's day fray.

"The Golden Bears warring a diversified attack that was not only more varied but also had more punch than that exhibited by the Buckeyes. The Golden Bears possessed everything that a good football team should have, including every variety of the forward passing attack, superb interference on end runs and a short line plunger. "It is doubtful if any team could have defeated California the way they played today. "Probably the entire affair could be summed up in the words 'The best team won.' And the hats of Ohio are off to the California eleven."

CALIFORNIA VICTOR BY 28-0 SCORE

Aerial Attack and Last Minute Drive of Buckeyes Falls Before Brilliant Defense of Westerners

BLUE AND GOLD MAKE DAZZLING PASSES

Muller Stars by Mastery of Easterners' Tactics

PASADENA, Cal., Jan. 1.—University of California's "wonder team" defeated the "Big Ten" champions, Ohio State, 28 to 0, today in the annual Tournament of Roses New Year's day east-west game. The score was the largest ever rolled-up by a western team against eastern invaders.

Ohio State's famed aerial attack and "last minute" drive fell before the brilliant Blue and Gold defense and the 42,000 spectators saw California take a lead from the Buckeye's book and beat the Ohio men at their own game of forward passing. California, on the offensive, had a dazzling assortment of passes, long and short and one the defense got in the way and broke up most of Ohio's throws, intercepting them always when the middle-westerners threatened a touchdown.

Coupled with the phenomenal California display of passing was a varied offense. Coach Andy Smith's men slashed the Ohio lines at will, circled the Ohio ends, and with double passes and criss-cross plays, baffled their opponents. The story of California's victory in a large measure was the story of the playing of "Brick" Muller, California's brilliant end. Muller was a stone wall on defense and on the offense played a remarkable game. Three of California's touchdowns were the direct result of Muller's mastery of the aerial attack, both in passing and receiving.

Pete Stincomb, Ohio State's representative on the Myrtle all-American eleven, did everything expected of him and more, but the California defense had been perfected to stop him. Although Stincomb probably gained more yardage than any other player today, his work demonstrated that one man cannot win from a trained varsity.

Seven minutes of play saw the first California touchdown. An Ohio fumble recovered by California and followed up with a versatile attack, resulted in Spott going over the line. In the second period, Muller tossed a 50-yard pass, probably the longest ever thrown in the west, to Stephens, who went over for the second score. The third goal came in the same quarter when an assortment of plays put Spott over with an end run.

No score was made in the third period, but in the fourth Spott circled the Ohio left end to the five-yard line where Deeds, in two bucks, went over.

Attendance at today's game broke all western football records according to the Tournament of Roses officials. There were rooting sections supporting the two teams, half a dozen bands and many colors in the stands. During the game airplanes soared overhead and a "pony blimp" made regular trips around the field.

Lineup and Summary. California Position Ohio State Stephens...LE...Myers Dean...LT...Huffman Majors (C)...LG...J. Taylor Lathrop...C...Nemecek Craner...RG...Weiche McMillan...RT...Trott Muller...RE...N. Workman Erb...QB...H. Workman Spott...LHB...Stincomb Toomey...RHB...Blair Nisbet...FB...C. Taylor

Score by periods: California 7 14 0 7—28 Ohio State 0 0 0 0—0 California scoring: Touchdowns, Spott 2; Stephens, Deeds. Goals from touchdowns: Erb 1; Toomey 3.

Officials: George M. Varnell, Chicago, referee; F. E. Birch, Earham, umpire; W. S. Kleinholz, Minnesota, head linesman; Joseph Magidson, Michigan, field judge.

Substitutions: California—Fells for Deeds; Hall for Stephens; Morrison for Nesbit; Barnes for Dean; Deeds for Toomey; Clark for Craner. Ohio State—Bliss for Blair; Spiers for Wieche; Henderson for Bliss; Cott and Stincomb; Stincomb for Cott; Willaman for J. Taylor; Slyker for N. Workman; Wilder for Henderson.

THE WEATHER Sunday, rain; moderately southerly gales.
