Don't think because you have taken many remedies in vain that your case is incurable. Hood's Sarsaparilla cures many seemingly hopeless cases of scrofula, catarrh, rheumatism, kidney complaint, dyspepsia and general debility. Take Hood's.

MISS STERLING RESIGNS PLACE

Head of Salem High School English Department Goes to Seattle

Keen regret is being felt since it became known yesterday that Miss Edna L. Sterling, head of the English department of the high school, has resigned to accept a position as head of the English department of the Lincoln high school of Seattle, to take effect January 23. In so doing Salem high school loses one of its most competent and earnest workers.

Miss Sterling came to Salem from the Auburn high school of Auburn, Wash. Although she has been in Salem but four years it is said she has no doubt done more for the students than any other teacher in that time. The marvelous success which she has made during those years has been due to her thorough knowledge of her subject, her ability to interest and enthrall those under her, and her unswerving loyalty to the interests of the students. She has been senior class advisor for the Clarion. Her kindly interest and uniform courtesy have won for her the friendship of the entire student body.

Principal C. Nelson, with whom she has worked for several years, yesterday said: "Although it is with deep regret that I learn of the resignation of Miss Sterling I would not for one moment stand in the way of her receiving the recognition which she deserves. She leaves her department in perfect condition and she has made it easy for another teacher to take up the work."

The position which she goes to is a high promotion and carries with it a substantial increase in salary. It is a large school in the university district and the position is considered to be the cream of the northwest.

Besides many school and alumni friends, Miss Sterling leaves a host of other friends to whom her departure will be a loss.

Training School Boys Beat Chemawa Indians

In a close game of basketball between the state training school and the third team of the Chemawa Indian school in the training school gymnasium last night, the training school quintet won over the Indian lads by a score of 25 to 20.

The close team work of the Indians was not equal to the snappy basket shooting of the state boys. A return game will be played in the near future on the Chemawa courts.

The teams lined up as follows:

Chemawa	State
Hansen	Brook
Olsen	Fox
Buchert	Donkel
Evans	Richardson
Evans	DePinto

CONCEIT—CONFIDENCE

A CONCEITED MAN is one who has confidence that he can do things that he is mentally or physically unfit to do. He spends his wretched moments in admiring himself for fancied capabilities, and his sleeping hours in dreams of unearned greatness.

A CONFIDENT MAN is one who has confidence that he can do things that he is mentally and physically equipped to do. He spends his wretched moments in equipping himself to do his work better, and when night comes he experiences the repose that comes with the knowledge of work well done.

PERSONAL MENTION

George W. Hubbs of Silverton was a Salem visitor yesterday. James Livesley of Woodburn spent yesterday in Salem. A. N. Norman of Wacanda was in the city yesterday. W. H. Goulet was attending to business matters in the county court yesterday. Thurston Yorgen was here yesterday from Donald. J. T. Hunt, county commissioner, has been ill at his home in the city for the past five days. It was thought yesterday that his condition was improved. Lee Morley of Silverton was in Salem yesterday. W. J. Jefferson of Gervals was a visitor yesterday in Salem.

OUT OF THE RACE.
When a person wakes up with a stiff back, has pains in muscles, aches in his joints, or has rheumatic twinges, he lacks ambition and energy and cannot do his best. If you feel out of the race, tired and languid, or have other symptoms of kidney trouble, you should act promptly. Foley Kidney Pills help the kidneys do their work and get out of the system the poisonous matter that causes so much trouble. They give relief from sleep-disturbing bladder disturbances. Sold everywhere.

Pure Drug Bill to Have Backing of Retail Men

Oregon Agricultural college and druggists of Oregon are back of a bill now being drafted for introduction at the legislature regulating the sale of drugs. It will be known as a pure drugs act. It is said that 42 states of the union have pure drugs and that Oregon is one of the six states not having such an act. The bill probably will call for a small appropriation.

The anti-saloon league of Oregon and the druggists will join in fostering a measure to relieve the druggists of the necessity of making monthly reports to the county clerks relative to sales of alcohol and on alcohol used in drugs. The bill will provide a repeal of that portion of the state prohibition act, now held to be unnecessary for the reason that a similar provision is contained in the national prohibition law.

Big Herd of Cattle is Slaughtered During Year

The cattle in Oregon that have been slaughtered under orders of the state livestock sanitary board in the last two years because of affliction with tuberculosis would make a herd of 1168, according to the biennial report of Dr. W. H. Lytle, state veterinarian. The number of horses slaughtered as a result of mallein tests was 25. Indemnity paid on the slaughtered animals totaled \$18,179.50, and it was necessary to call on the emergency board for \$5000 additional to meet the claims. This amount probably will be insufficient, Dr. Lytle believes, and thinks when all claims are in there will not be quite enough money to pay all of them.

A total of 59,282 cattle were tested for tuberculosis. Of this number 57,898 passed, 1203 showed reactions and 181 were suspicious. Horses subjected to the mallein test totaled 3762. Of this number 3701 passed, 48 showed reactions and 13 were suspicious.

Margaret Ellen Bloore Dies at Her Salem Home

Mrs. Margaret Ellen Bloore, 71 years old, died yesterday at her home, 1941 Center street. The funeral will be held today at 2 o'clock p. m. from the Rigdon chapel under the direction of the Christian Science church, and interment will be in City View cemetery. Mrs. Bloore is survived by her husband, B. Bloore, and four children. The children are Mrs. W. L. Dunnigan of Silverton, W. M. and J. B. Bloore of Portland and L. M. Bloore of Salem.

In the next election, with the women voting, the man who has a bit of bear oil on his hair will have the hunch.
