Run Over by Automobile—Carl Bredwell was run over by an automobile yesterday in attempting to cross Commercial street on a bicycle. Charles Hehal, driver of the automobile, reported to the police that he was unable to stop his machine quickly because of the slippery street. Mr. Hehal took the boy to a doctor's office where it was found that he was not seriously hurt, and he was taken to his home at Hoyt and Commercial streets.

Matthews Speaks to Hi Y's—Prof. James T. Matthews of Willamette last night addressed the regular meeting of the Hi Y club of the Salem high school in an appealing talk on "Personalities." He centered his talk on the possibilities for development of pleasing personalities. Prof. Matthews is a very popular speaker among high school students and has spoken many times before the Hi Y club.

Pleaded Not Guilty—Mrs. Nola Molar was arraigned yesterday in the justice court and pleaded not guilty to the charge of pointing a gun at a person. The trial is set for January 27.

Ontario Editor Here—George K. Aiken, publisher of the Ontario Argus, is spending a few days in the city, business and visiting the legislature. Mr. Aiken made a study of the Non-partisan league in North Dakota last year and wrote a series of articles for the Oregonian covering his observations.

Missing Bicycle Found—A bicycle was brought into the police station Wednesday by Police Officer Victor, which was found in front of the Oregon Electric depot. The records revealed the owner of the wheel as being Morris McKinney. The wheel was reported missing Monday of this week.

Narrowly Escapes Injury—In attempting to dodge an automobile yesterday, R. J. Young, 925 North Twenty-first street, who was riding a bicycle west in the alley between Twelfth and Capitol street, lost control of his wheel and slid under an approaching automobile. Fortunately Mr. Young escaped injury. The bicycle was considerably damaged.

Damaged by Collision—An automobile driven by W. H. Parker was badly damaged in an automobile collision occurring yesterday. Mr. Parker was driving south on Capitol street when an automobile driven by Dr. O. R. Ross of the Oregon state hospital, traveling east on Center street, collided with his car. The hind wheel on the Parker car was broken.

PERSONAL MENTION—W. J. Culver, roadmaster for Marion county, was in Woodburn and Gervais yesterday in the interest of road business.

Henry Zorn of Champoeg was in the city yesterday attending the legislature.

Mrs. Mary L. Fulkerson was visiting schools Wednesday in North Howell, Evergreen and Brush Creek. She reports the school work as progressing nicely.

Gus Newberry, an attorney from Newberry, was in the city yesterday on legal business.

Capt. A. A. Gowan, attorney from Burns, is here for a few days attending to business and attending the sessions of the legislature.

Mr. Harding during the campaign, will be in charge.

A story of Mr. Harding's devotion to one of his fellow townsmen came to light tonight after it had been kept secret for several weeks. It involved a financial guarantee by the president-elect to enable his church to continue the salary of a pastor who has been incapacitated since July.

The minister is Dr. Thomas H. McAfee, of the Trinity Baptist church, of which Mr. Harding is a trustee. Dr. McAfee was stricken with paralysis more than six months ago and the strain of paying his salary in addition to that of an acting pastor weighed heavily on the church. The question came to a painful issue at a recent meeting of the trustees and Mr. Harding agreed to pay the salary of the new pastor if that of Dr. McAfee were continued.

Would Create Office of State Fire Marshal—A bill creating the office of state fire marshal had first reading in the house yesterday afternoon. The duties of the fire mar-

shall as outlined in the bill are the prevention of fire, the storage and use of combustibles and explosives, the construction and maintenance of fire escapes, to oversee the safety and adequacy of exit facilities in factories, theaters, asylums, hospitals and other places where many people work, live, or congregate, to fix punishment and regulate the suppression of arson.

Another bill read at the same session would provide that a term of the county court be convened in each county of the state for the transaction of all probate and civil business cognizable by the county courts except the transaction of county business on the first Monday of each month. Provision is made for other sessions of the court at which action on county business will be transacted.

Physical Training Exhibitions Planned—The girls of Washington junior high school under the supervision of Miss Coniford Hard are planning a series of physical training exhibitions. The first of these is to be given Friday evening, Jan. 21 at 8 o'clock. An admission of 10 cents will be charged, the proceeds to go to the music fund. Friends and patrons of the schools are cordially invited.

Cemetery Association Corporation Bill Passed—Senator Moses' bill amending the cemetery association corporation law so that funds may be used more freely for maintenance was passed by the senate yesterday. At present only the River-view cemetery of Portland is affected by the measure.

Marion County Court is for Senator Ryan's Bill—One of the hardest committee fights in the legislature has arisen in the committee of commerce and navigation over Senator Ryan's bill to exempt counties from the payment of royalty on rock and gravel taken from the beds of navigable streams by contractors for use on public works.

Members of the state land board declare the bill virtually will kill the act. The royalty fixed by the board is 10 cents a cubic yard, and the proceeds, amounting to about \$45,000 in the last year goes into the irrevocable school fund. J. A. Churchill, state superintendent of schools appeared before the committee yesterday against the bill.

It was supported at the hearing by W. M. Bushey, Marion county judge, Representative T. B. Kay and others. The royalty under the act is charged against the contractors, but if the material is used for public work they add it to the contract price charged counties or other municipalities.

Heat of Red Peppers Stops Rheumatic Pain

The penetrating heat of "Red Pepper Rub" will bring almost instant relief from the pains of rheumatism, pleurisy, colds, lumbago, neuritis, backache, strains, sprains, sore muscles and stiff, aching joints. Penetrating heat immediately frees the blood circulation that carries off the congestion and pain is gone. Nothing has such concentrated, penetrating heat as red peppers. The moment you apply Red Pepper Rub you feel the tingling heat. In three minutes it warms the congested spot through and through. When you are suffering so you can hardly get around, just get a jar of Rowles Red Pepper Rub, made from red peppers. It costs little at any drug store. The quickest relief known awaits you. Use it always for colds in chest.
