WHY WE SELL THE VICTROLA-Exclusively

> The Moore Furniture House never intentionally offer for sale any item of merchandise not of established merit and unquestioned reliability. Our constantly increasing volume of business we credit very largely to this policy of handling only the goods of the very highest reputation and quality.

> For a few years we handled in addition to Victrolas, various other talking machines. The shortage of Victrolas, following the mobilization of the great Victor plant for war purposes, made this unavoidable. During this time we have investigated at first hand, the merits and the shortcomings of most talking machines. We have studied them with painstaking care, not only in customers' homes, but especially right in our own repair shops.

Our convenient terms make it possible to pay for a Victrola while using it.

> Our Experiences Have Convinced Us Positively That We Can **Conscientiously Recommend and Sell ONLY**
