AVOID THE WASTE
The wear and tear caused by undigested food that exhausts your digestive organs, does not nourish your blood, and weakens instead of giving strength. Hood's sarsaparilla is a splendid tonic for the blood, stomach, kidneys and liver. It creates an appetite, perfects digestion and assimilation, secures 100 per cent nourishment from your food. More than this, it purifies, vitalizes and enriches the blood, which is the life of the body, eliminates catarrh, scrofula, rheumatism, that tired feeling and other diseases, the poisons of diphtheria, scarlet and typhoid fevers and influenza. Take Hood's Pills for a gentle laxative (small dose) or an active cathartic (large dose).
