Our constitution stands in the way but were even that changed to permit it, the fact remains that the Pope does not rule in civil affairs of Catholic France, Catholic Portugal, Catholic Italy, Catholic called Catholic. France broke her treaty with the Vatican and no one has seen any army of invasion commanded by the Pope trying to teach France that a treaty cannot be torn up like a scrap of paper. And for all who have any fear of the Catholic church trying to exterminate Protestantism or any other religion by force, we should say that the only weapons that will be used will be the Word of God. i. e. Truth, and, paradoxical as it may seem to anti-Catholics, the truth of the Bible. We cannot deny that Pro- Bowman. This class is especially for s testantism is decaying in this perintendents and anyone interested in testantism is decaying in this country, not from attacks against it from without, but from weakness from within. Non-Catholics are religiously indifferent. They do not attend any church and most not attend any church and most of them regard one religion as good as another. Even these anti-Catholic attacks do not strengthen my particular creed of Protestantism. Nearly always as Cathoic doctrine is presented-by reason of the anti-Catholic crusades -investigation of Catholicism takes place on a wider scale, and

pions of their religion. (Continued next Sunday.) (adv.)

the final result is an increased

number of converts to the Catho-

lic faith. These crusades do not

drive any Catholic out of the fold.

Persecution and attacks have al-

ways strengthened the faith.

Such attacks make many some-
