

# WE OPEN THE SEASON WITH A GREAT SPRING SHOE SALE

## Sale Opens Friday, March 4--Inauguration Day

THE EASTERN Market Conditions are in such an unsettled condition that we consider it advisable to practically close out our entire stock. We reduced our stock to the lowest possible mark before the big break in prices came, and have stocked up with Spring merchandise at the much lower Spring prices, so we are in position to undersell all comers.

### Oxfords Is the Season's Big Hit

We are prepared with thousands of pairs in all colors, lasts, and different heights of heels and we can fit any foot. We are going to advise our friends and customers to get their oxfords now while they are in stock and at the pre-war prices.

**STRAP PUMPS**—We are showing a full line of pumps but they will not be practical until midsummer when we expect a big run on this style of footwear. Get them now at the low prices and be prepared.

**MEN'S SHOES AND OXFORDS**—We have bought a large line of Men's and Boys' Shoes at job lot prices far below the present wholesale cost and we are going to throw these shoes out at a sacrifice. Every pair is from our regular houses and are the best standard makes.

**WE DEFY THE WORLD TO SHOW HIGHER GRADE SHOES THAN WE ARE SHOWING IN THIS SALE.**

**EVERY PAIR STRICTLY GUARANTEED**
