PORTLAND "Y. M." TEAMS COMING

Aggregation Will Also View Fruit Blossoms Of Marion County

Two volley ball teams from the Portland Y. M. C. A. will invade Salem Saturday afternoon to vie with local "Y" teams, according to C. A. Kells, Salem Y. M. C. A. secretary, who extended the invitation to the Portland men a short time ago. The Portland aggregation, which will be accompanied by several business men and which will be headed by T. H. Cunningham, will make the trip in autos, leaving Portland about 2:30 in the afternoon and returning late in the day, after making a short tour through the country to view the spring blossoms.

O. H. Hull, local physical director, who is in charge of preparations for the reception of the visitors from the Salem business men's class which will complete their three days of practice with a practice game tonight. The game Saturday will be staged at 4:30 o'clock on Chemeketa street, between Liberty and Commercial streets, being played out of doors at the request of the Portland team, who objected to playing under the low ceiling of the Salem gym, when they had been used to a very high ceiling.

The local management anticipated that a large crowd will witness the game Saturday, basing their belief on the interest which has been exhibited in the inter-class games which the business men's class has been staging twice a week here. The team from Portland comes with a brilliant record of achievement behind them, having defeated the Multnomah club cohorts by a large score, in addition to defeating all of the club teams of their association. The visitors have the slight advantage, having played together for some time, while the locals have been playing together but three days.

While in Salem the visitors will be the guests of local business men who are members of the association here.
