## **Double Seal Piston Rings** Are Keeping Upkeep Down

Mr. Moor, factory representative for Double Seal Ring Co and who has been spending the last 10 days in and around Salem says the demand for his rings are greater than the supply. He says everyone is interested in how to save gas and oil and why shouldn't they be interested when their pocketbook is called on to cough up so often.

Double Seal rings have now national use and endorsement wherever metal piston packing is used. Their initial cost is greater than any other ring but the public has learned that the initial cast is only a trifle when the saving of gas, oil and upkeep is con-
