MOTHER'S Day was fittingly observed Sunday at the home of Mrs. E. M. Vandervort, when children, grandchildren and great grandchildren gathered to assist her in commemorating her 85th birthday. A reunion dinner was served to members of the family, with long-time friends and additional relatives calling during the afternoon hours to express congratulations and well wishes. An impromptu program was a feature of the occasion. One of the most pleasing messages received by Mrs. Vandervort came from her former pastor, Rev. R. N. Avison, now of Spokane. He wrote:

"We have not forgotten that you have another of those birth-days coming soon. I think it is May 8th. If my memory serves me right it is the 85th. When I

think of your unselfish and untiring devotion to the best interests of home, friends, church and state, through all these years, no word of mine can adequately express my admiration for your good and beautiful life.

"I am reminded also that your anniversary comes on Mothers' day and you will be surrounded by your loved ones. Somebody observed that 'God could not be everywhere, so He made mothers.' I would like to be permitted to amend that pretty saying, and make it read thus: 'God wanted to be everywhere, so He made mothers.' He made mothers to declare Him, to unveil Him, to speak for Him. He gave them commission to let the world know how He looks and how kind He is. He charged them with the beautiful business of revealing the tenderness of His love. To all frightened or hurt children of His, he said: 'As one whom his mother comforteth, so will I comfort you.' May the comfort wherewith God alone can comfort be yours in largest measure."

Mrs. Vandervort is one of Salem's best-known residents, having resided here since 1889. For the past 40 years she has been active in the cause of prohibition and temperance, working as a member of the W. C. T. U. and she has also filled a worthwhile place in church work, being a member of the First Methodist Episcopal. She has lived in Oregon since 1883, coming west with her parents when she was 16 years old.

Children who were with her Sunday were one son, H. H. Vandervort, and three daughters, Mrs. Benjamin Woods and Mrs. J. W. Lehman of Portland, and Mrs. U. P. Lehman of Salem. Eight grandchildren were also with her on the date. They were Mrs. Esther Kruger of Portland; Miss Jeanne Vandervort, Russell and Robert Lehman, Walter Winslow of Salem; Emory and William Lehman of Portland and Mrs. Oliver Whitney of Polk county.

The following great grandchildren were also present: Ruth and Loyal Whitney of Polk county, Norman and Gertrude Winslow of Salem and Echo, Helen, Mary, Violet, Hazel Elva and Opal Kruger of Portland.

The most interesting incidents in life are usually the unlooked for, the unexpected—like meeting old friends in a distant land for instance. A meeting of this description happened in Salem Saturday when the Al G. Barnes circus was here, for in the throngs that lined the streets as the parade progressed were two people, Mrs. G. C. Moir and Miss Jean Duncan, who received one of the most pleasurable surprises in many a day for in two of the circus people they recognized old-time friends, Mr. and Mrs. Drew Stanfield, formerly of New York. The Moirs who recently came to Salem, made their home previously in New York City, the Stanfields residing in Mt. Vernon, where Mr. Stanfield's sister, Mrs. G. S. Camp, was one of the closest friends of both Mrs. Moir and Miss Duncan.

During the leisure hours in Salem the Stanfields who are charming people, were taken for a motor trip through the adjacent territory and about the state grounds which they found most interesting. In the evening they were dinner guests of Mr. and Mrs. Moir.

A representative number of Salem women went to Eugene the last of the week where they participated in the events attendant to the dedication of the new Susan Campbell hall for girls, and which has for its head Miss Mabel Withycombe, daughter of the late Governor James Whitcomb.

They were also privileged to go through the new Columbia gorge hotel, erected by Mr. Benson owner of the Benson hotel in Portland, and which is to be opened to the public the first of June. This is one of the finest

USE SULPHUR TO HEAL YOUR SKIN

Broken Out Skin and Itching Eczema Helped Over Night.

For unsightly skin eruptions, rash or blotches on face, neck, arms or body, you do not have to wait for relief from torture or embarrassment, declares a noted skin specialist. Apply a little Mentho-Sulphur and improvement shows next day.

Because of its germ destroying properties, Mentho-Sulphur has been found to take the place of this sulphur preparation. The moment you apply it healing begins. Only those who have had unsightly skin troubles can know the delight this Mentho-Sulphur brings. Even fiery, itching eczema is dried right up.

Mr. and Mrs. Andrew Comer, Shenandoah, Va., were both ill. He writes: "Rheumatism and bladder trouble was our trouble. My wife had rheumatism in her arms so she could not use them. She has had no trouble since taking Foley Kidney Pills. I don't have to get up at night so much since taking Foley Kidney Pills, nor have I a weak back." Forest Insect Pests Become Serious Menace

PORTLAND, Or., May 9.—A. J. Jaenicks, forest examiner in charge of insect control in Oregon and Washington of the United States forest service, has returned from an investigation of western bark beetle in southern Oregon and northern California. Damage caused by these insects is becoming so great that immediate steps are planned by both private land owners and the government to wipe out the epidemic. The beetle infestation, according to Jaenicks, extends all through the southern portion of this state and northern California, confining itself to the yellow pine belt.
